A **Walgrove Wildlands Greening Project** Sandi Wise sandiwise@gmail.com

MOTION: The VNC Board shall support Walgrove Elementary School's efforts in "Greening" their school by adding the flier for the "Walgrove Wildlands Planting Days" to the VNC website. The Wildlands is a project which encompasses 25,000 square feet of space being converted from asphalt to a beautiful and educational green space. The space will include an outdoor seating area for class time, an aviary section with lots of trees, a butterfly garden, an expansion of the current vegetable garden, and lots of California native plantings. Parents at Walgrove have been working tirelessly on this plan for the past year, applying for (and receiving) grants, partnering with several organizations like the US Fish and Wildlife, Enrich LA, the Tree People, and many more. The asphalt has been pulled up, sprinklers installed, pathways laid, and is now ready for planting. To learn more about the Wildlands project, see their website: <http://walgrovewildlands.com/>

April 20th & 21st. We are looking for anyone who would like to volunteer their time and energy to digging, planting, & building. Come join the Joyful Activists, the Girl Scouts, Local community members, Parents and Staff in re-wilding Walgrove.

B Amendment of Proposed Community Care Facilities (CCF) Ordinance Westside Regional Alliance of Councils

MOTION: The VNC, a member of the Westside Regional Alliance of Councils, opposes Amending Motion 31B, submitted January 30, 2013 to [Council File 11-0262](#), on the following grounds:

1. Lack of sufficient staff support and lack of a funding mechanism
2. Inability to presently enforce codes
3. Anticipated 10% across the board budget cuts to all City departments slated for FY 2013-2014
4. Complete lack of transparent fiscal analysis

We further strongly oppose the continued gutting of the R1 and other low density residential zones in the City of Los Angeles. The General Plan of the City of Los Angeles protects the residential character of these zones. The City is therefore required by law to prepare a General Plan Amendment and to produce a full Environmental Impact Report in compliance with CEQA to establish any ordinance adding boarding houses as a by right use into low density residential zones.

C Stop Santa Monica Airport's Detrimental Health Effects on Neighboring Communities Laura Silagi and Abigail Myers

Whereas the VNC has taken positions on the following:

- Against the use of leaded fuel in all piston engine propeller planes.
- Against Jet exhaust which contains dangerous particulates which are spewn into neighboring communities during idling and take-off daily.
- Against noise pollution from both jets and propeller planes which are known to contribute to high blood pressure, heart disease, and learning impairment in children.
- Against the flight pattern flying over Venice

Whereas none of these problems can be mitigated. And

Whereas Items 1 and 5 of the petitions are logical outgrowths of the positions taken by VNC and support the views of our current councilman.

Therefore we request support for the attached petition which will be used to lobby politicians and others.

D Remove Illegal Digital Billboards Marc Saltzberg, on behalf of WRAC; Gabe Kramer

MOTION: Whereas, In 2006 the City of Los Angeles entered into an illegal agreement with Clear Channel Digital and CBS Outdoor, which allowed them to convert up to 800 static billboards to digital billboards. This "agreement" was entered into without public hearing, public comment, or any input from neighborhood councils, community groups or resident

organizations. The result was that these companies erected 103 illegal digital billboards that have been opposed by our organization and other communities groups from the beginning, and Whereas, The agreements were challenged in court – Summit Media, LLC v. City of Los Angeles – wherein Superior Court Judge Green ruled the agreements illegal, followed by the California Court of Appeal upholding Judge Green’s ruling. The Court of Appeal further ruled that the illegal signs must be removed, and

Whereas, the California Supreme Court has declined to hear the case, allowing the decision of the Appeals Court to stand;

Therefore, be it Resolved, The Board of the Venice Neighborhood Council urges the City of Los Angeles to fully implement the appeals court ruling in the Summit Media LLC v. City of Los Angeles and to remove the 103 illegal digital billboards blanketing our city. We further request that the City refrain from making any changes to the zoning laws relative to digital billboards until the illegal billboards are removed and any such proposed change has been subjected to an open and transparent outreach process to community stakeholders.

The Venice Neighborhood Council fully supports the Courts’ rulings and urges the City to fully implement the decision and remove the illegal digital billboards. Further, we oppose any and all attempts to grandfather these illegal billboards, or any other action that would retroactively legalize them.

E 25th and Pacific ave cross walk CHARLES A FAGIN cfagin@earthlink.net

MOTION: We are working on the cross walk at 25th and Pacific ave. Dot has request email feedback from the neighborhood. Will you send an email to you people to respond to DOT. DOT has request that the local residents around the crosswalk at 25th and Pacific email DOT in favor of moving the cross walk from 26th to 25th and Pacific.

Now that the pathway is completed and the wheel chair access cutouts are in place the last piece of the walkway is the painted cross walk.

Please send this wording to your group and ask them to email LADOT.

Please cut and paste this email and send to:

ladot.westerndistrict@lacity.org

I support the installation of the crosswalk at 25th Avenue and removal of the existing one at 26th.

This is very important for the Community, tourists and especially for the disabled and many parents and children who need safe access from the canals to the beach.

It is a dangerous liability to the city, disabled and pedestrians to not have a designated crosswalk where there is an ADA approved ramp into the high volume traffic thoroughfare.

Thank you advance for facilitating this much needed crosswalk at 25th Av. an Pacific Av. In Venice.

- F** **Three-way Stoplight at Intersection of Pacific and Brooks in Venice** Matt Kline, Marc Saltzberg, Colleen Saro, Daffodil Tyminski Outreach@VeniceNC.org, VP@VeniceNC.org, colleen.saro@venicenc.org, daffodil.tyminski@VeniceNC.org

Whereas, it is the responsibility of the City of Los Angeles to provide for the safe flow of traffic on city streets, roads and boulevards and,

Whereas, there have been an excessive number of accidents at the intersection of Pacific and Brooks, many of them the result of drivers making left turns from Pacific onto Brooks and,

Whereas, most of these accidents could have been prevented had a three way stoplight been installed at the intersection of Pacific and Brooks to provide for signal controlled left turns at an estimated cost to the City of \$150,000 (estimate provided by CD-11 staff);

Therefore be it resolved, the Venice Neighborhood Council asks the Los Angeles City Council to set aside between \$150,000 and \$200,000 in its 2013-2014 budget for the installation of a three-way stop light at the intersection of Pacific and Brooks.

This resolution shall be sent to City of Los Angeles Council District 11, the Los Angeles City Council, Los Angeles Mayor Antonio Villaraigosa and the Los Angeles Department of Transportation.
