Abigail Myers and Laura Silagi, Co-Chairs, SM Airport Ad Hoc Committee

- Against the use of leaded fuel in all piston engine propeller planes.
- Against Jet exhaust which contains dangerous particulates which are spewn into neighboring communities during idling and take-off daily.
- Against noise pollution from both jets and propeller planes which are known to contribute to high blood pressure, heart disease, and learning impairment in children.
- Against the flight pattern flying over Venice

Whereas none of these problems can be mitigated. And

Whereas Items 1 and 5 of the petitions are logical outgrowths of the positions taken by VNC and support the views of our current councilman.

B Remove Illegal Digital Billboards Marc Saltzberg, on behalf of WRAC; Gabe Kramer

MOTION: Whereas, In 2006 the City of Los Angeles entered into an illegal agreement with Clear Channel Digital and CBS Outdoor, which allowed them to convert up to 800 static billboards to digital billboards. This "agreement" was entered into without public hearing, public comment, or any input from neighborhood councils, community groups or resident organizations. The result was that these companies erected 103 illegal digital billboards that have been opposed by our organization and other communities groups from the beginning, and Whereas, The agreements were challenged in court – Summit Media, LLC v. City of Los Angeles – wherein Superior Court Judge Green ruled the agreements illegal, followed by the California Court of Appeal upholding Judge Green's ruling. The Court of Appeal further ruled that the illegal signs must be removed, and

Whereas, the California Supreme Court has declined to hear the case, allowing the decision of the Appeals Court to stand;

Therefore, be it Resolved, The Board of the Venice Neighborhood Council urges the City of Los Angeles to fully implement the appeals court ruling in the Summit Media LLC v. City of Los Angeles and to remove the 103 illegal digital billboards blanketing our city. We further request

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org Phone: 310-421-8627

that the City refrain from making any changes to the zoning laws relative to digital billboards until the illegal billboards are removed and any such proposed change has been subjected to an open and transparent outreach process to community stakeholders.

The Venice Neighborhood Council fully supports the Courts' rulings and urges the City to fully implement the decision and remove the illegal digital billboards. Further, we oppose any and all attempts to grandfather these illegal billboards, or any other action that would retroactively legalize them.

- C** **Three-way Stoplight at Intersection of Pacific and Brooks in Venice** Matt Kline, Marc Saltzberg, Colleen Saro, Daffodil Tyminski Outreach@VeniceNC.org, VP@VeniceNC.org, colleen.saro@venicenc.org, daffodil.tyminski@VeniceNC.org

Whereas, it is the responsibility of the City of Los Angeles to provide for the safe flow of traffic on city streets, roads and boulevards and,

Whereas, there have been an excessive number of accidents at the intersection of Pacific and Brooks, many of them the result of drivers making left turns from Pacific onto Brooks and,

Whereas, most of these accidents could have been prevented had a three way stoplight been installed at the intersection of Pacific and Brooks to provide for signal controlled left turns at an estimated cost to the City of \$150,000 (estimate provided by CD-11 staff);

Therefore be it resolved, the Venice Neighborhood Council asks the Los Angeles City Council to set aside between \$150,000 and \$200,000 in its 2013-2014 budget for the installation of a three-way stop light at the intersection of Pacific and Brooks.

This resolution shall be sent to City of Los Angeles Council District 11, the Los Angeles City Council, Los Angeles Mayor Antonio Villaraigosa and the Los Angeles Department of Transportation.

- D** **LANCC Motion re: Funding of NC Elections** Ivan Spiegel, LANCC representative, parliamentarian@venicenc.org **[EXHIBIT]**

MOTION: Whereas the City of Los Angeles asking the neighborhood councils to postpone their elections due to budget cuts, and

Whereas the city is asking each neighborhood council to pay for their next elections, approx. \$7300.00 per council, and

Whereas the city continues to violate City Charter section 911 by cutting neighborhood council funds, sweeping annual excess funds, and failing to fund neighborhood councils in a secure account one year in advance,

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org Phone: 310-421-8627

Therefore, the Venice Neighborhood Council moves:

That the City issues NO DELAYS in the 2014 neighborhood council elections

That The City fully fund the neighborhood council 2014 elections

That the City restores the \$50,000 Neighborhood Council annual budgets

That the City cease and desist from any further sweeping of neighborhood council funds, in violation of charter section 911

That the Venice Neighborhood Council President, file an immediate letter of complaint against the City for its violations of Charter Section 911.

The Wildlands is a project which encompasses 25,000 square feet of space being converted from asphalt to a beautiful and educational green space. The space will include an outdoor seating area for class time, an aviary section with lots of trees, a butterfly garden, an expansion of the current vegetable garden, and lots of California native plantings. Parents at Walgrove have been working tirelessly on this plan for the past year, applying for (and receiving) grants, partnering with several organizations like the US Fish and Wildlife, Enrich LA, the Tree People, and many more. The asphalt has been pulled up, sprinklers installed, pathways laid, and is now ready for planting. To learn more about the Wildlands project, see their website:
