10D Title: Stakeholder Motion from Steve Williams and EVNA Co-Living Businesses in Residential Neighborhoods

MOTION: Whereas there is a City Council Motion (CF 21-0665), approved on September 15, 2021, instructing the Planning Department, in consultation with the Department of Building and Safety, and the City Attorney, to prepare and present an ordinance that defines "co-living" residential facilities as an enumerated use with corresponding zones of the City where they can locate:

<https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=21-0665>.

Whereas the fact that "co-living" businesses are currently under review by the City with respect to where they can locate does not allow for those operators to violate other effective codes, ordinances or permit requirements. Therefore, the Venice Neighborhood Council requests that, while the proposed ordinance is pending, the City order "co-living" business operators to comply with existing applicable laws and codes.

Title: Parking Requirements for Accessory Dwelling Units (ADU) in the Venice Coastal Zone.

Meeting Date: 11/08/2021

Committee: Administrative Committee

Vote Count: 6-0-0

Request: A. Parking Requirements for Accessory Dwelling Units (ADU) in the Venice Coastal Zone. Motion Submitted by Tim Bonefeld The Venice Neighborhood Council requested that The City of Los Angeles and the California Coastal Commission follow Assembly Bill 68 and the City of Los Angeles 2020 ADU Memo relating to required parking. Whereas the Venice Coastal Zone should contribute to the needed increase in density. Whereas the Venice Coastal Zone already has stricter commercial and residential parking requirements than the rest of the City of Los Angeles. Whereas the Venice Coastal Zone Specific Plan requires that all new vehicular access to Venice Coastal Development Projects shall be provided from alleys, when available. Whereas the Venice Coastal Zone lots are mostly Substandard Lots, therefore, creates a hardship to provide the additional one (1) onsite parking stall currently requested by The City of Los Angeles and the California Coastal Commission. Therefore the Venice Neighborhood supports the use of public transportation as described in AB 68: (d) Notwithstanding any other law, a local agency, whether or not it has adopted an ordinance governing accessory dwelling units in accordance with subdivision (a), shall not impose parking standards for an accessory dwelling unit in any of the following instances: (1) The accessory dwelling unit is located within one-half mile of public transit. (2) The accessory dwelling unit is located within an architecturally and historically significant historic district. (3) The accessory dwelling unit is part of the proposed or existing primary residence or an accessory structure. (4) When on-street parking permits are required but not offered to the occupant of the accessory dwelling unit. (5) When there is a car share vehicle located within one block of the accessory dwelling unit. <https://www.venicenc.org/ncfiles/viewCommitteeFile/25408> Public Comment & possible action/motion Michael Jensen motion to discuss/Andrew Mika Seconds Motion passes 6-0-0 Notices go to Mike Bonin Jason Douglas Coastal Commission City Planning

Vote Count: 6-0-0

Request: Expedited Process for Accessory Dwelling Units in the Venice Coastal Zone Motion Submitted by Tim Bonefeld The Venice Neighborhood Council requested that The City of Los Angeles Planning Department and the California Coastal Commission follow Assembly Bill 68 relating to the project process time. Whereas the Venice Coastal Zone should contribute to the needed increase in density. Whereas the current CDP application time is more than 12 months. Whereas the current CDP application fee is more than \$15,000. Whereas the CEX application time would be less than 2 months. Whereas the CEX application fee is \$1,700. Whereas a CEX would still be appealable to the California Coastal Commission. Therefore the Venice Neighborhood urges The City of Los Angeles and the California Coastal Commission to process applications for Accessory Dwelling Units as a CEX (Coastal Exemption) instead of and CDP (Coastal Development Permit)
