Starting today.

For the banner ad - I can't get in touch with our graphics person - can you make the 4 black lines in the right corner bigger and stand out more from "Wednesday May 4th until VeniceNC.org"?

we can also use this:  
<CD11 forum social.jpeg>  
or this:  
<CD11 forum eblast.jpeg>

Thank you!  
Let me know if there's anything else you need.  
Best,
