G **Amendments to the Venice Land Use Plan, Robin Rudisill, Chair** (Returned to LUPC by AdCom for a more detailed recommendation)

Recommended by LUPC on 11-30-15 by a vote of 6-2-0 (RR/MK):

MOTION: The VNC Board *recommends approval* of the following amendments to the Venice Land Use Plan:

a. Definition of Remodel, page I-15

The definition of “Remodel” shall be changed to be essentially the same as the definition used by the City of Malibu in their Local Coastal Program, as follows:

“Remodel: the upgrade or improvement of the interior or exterior faces of an existing structure without altering the existing foundation, footprint or building envelope, and removing or replacing no more than 50% of the exterior walls, in accordance with all other applicable Building Code and LAMC

zoning requirements.”

and

b. Policy I. F. 1. Historic and Cultural Resources, page II-28

The second paragraph shall be changed to: “The following buildings, streets, and trees have been identified through the coordinated efforts of surveys performed by the Venice Historical Society, Venice Community, State Coastal Conservancy and City of Los Angeles, including but not limited to Survey LA, as significant architectural, historical and cultural landmarks in the Venice Coastal Zone.” and

The following sentence shall be added at the bottom of the listing of significant architectural, historical and cultural landmarks in the Venice Coastal Zone: “All potential historical districts and historic and cultural resources identified in the 2015 SurveyLA, which is incorporated herein by reference.”

H Baseline Mansionization Ordinance

<http://www.VeniceNC.org/Baseline-Mansionization-Ordinance-Recommendations/>

Recommended by LUPC on 1-5-16 by a vote of 7-0-0 (TD/RR):

MOTION: The VNC Board supports Councilmember Koretz’s Council Motion CF 14-0656 regarding out-of-scale development, and that the final Baseline Mansionization Ordinance (BMO) should exclude loopholes proposed by the City Planning Department (DCP), including but not limited to exemptions for patios, breezeways, and balconies, with either regular roof or a lattice roof, the 10% Zoning Administrator “Adjustment,” and the 20% by-right “proportional stories” bonus (however, if such a bonus is retained in any form, similar to all other “discretionary” decisions that increase the size of a project, ZA ZAA process should review applications for this bonus through a properly noticed public hearing process, followed by an appealable determination).

I Conditional Use Beverage (CUB) Permits for Alcohol, from WRAC

Authority of City Zoning Administrators to Impose Conditions of Approval to Mitigate Potential Land Use Impacts Arising from the Sale or Service of Alcoholic Beverages That Are Adverse to Public Health, Safety and Welfare

For Additional Reading and for Summary of the Differences Between the New WRAC Motion below and the similar Motion Previously Approved by LUPC on October 5, 2015:

<http://www.VeniceNC.org/WRAC-CUB-Permits/>

Recommended by LUPC on 1-5-16 by a vote of 6-0-1 (RR/MR) [Also submitted separately to Ad Com by Marc Saltzberg on behalf of WRAC and Sarah Blanch sblanch@publicstrategies.org]

MOTION:

1. Whereas, the City of Los Angeles has imposed land use conditions in Conditional Use Beverage (CUB) permits for decades to protect public health, safety and welfare by mitigating potential impacts due to the sale or service of alcohol, as recommended by the LAPD, Council Offices, neighborhood

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org

Email: info@VeniceNC.org Phone: 310-421-8627

councils, community councils, and local residents; and

2. Whereas, the Department of City Planning suddenly reversed this decades-long practice in 2012, on the advice of the City Attorney's Office, with no public notice, no public process, no public hearings, and no direction from the City Council, which is charged with policy-making authority; and

3. Whereas, Zoning Administrators now unilaterally and without notice use the Plan Approval Process to remove previously-imposed conditions designed to avoid or mitigate actual or potential land use impacts adverse to public health, safety and welfare; and

4. Whereas, municipalities throughout the state of California have and continue to impose land use conditions to mitigate adverse impacts that may otherwise arise from the sale or service of alcohol, including the cities of Santa Monica, West Hollywood, Palmdale, Lancaster, Huntington Park, Montebello, Orange, San Bernardino, Pinole, Ventura, San Buenaventura, Santa Cruz, Hayward, Walnut Creek, Watsonville, and the County of Los Angeles, among others; and

5. Whereas, the City's current practice undermines the ability of the City and local communities to protect against potential land use impacts that are adverse to public health, safety and welfare, including but not limited to potential nuisances, by restricting the imposition of conditions on, among other things, hours of sale of alcohol, happy hours, container sizes, types of alcohol sold, and other similar rules and regulations, despite the efficacy of such conditions in avoiding or mitigating potential adverse impacts arising from the sale or service of alcohol; and

6. Whereas, California courts have repeatedly affirmed that municipalities have broad police powers to impose land use conditions that protect against potentially adverse impacts on public health, safety and welfare arising from the sale or service of alcohol; and

7. Whereas, the California Department of Alcoholic Beverage Control (ABC) has not advised the City that the imposition of such land use conditions interferes with ABC's enforcement of State law; and

8. Whereas, implementation of this new policy not only impairs the ability of the LAPD, Council Offices, and communities to protect public health, safety and welfare, but also interferes with the ability of CUB applicants to garner support for their projects by negotiating for the imposition of mutually agreed-upon conditions, as had been done for decades before the current practice was imposed, which forces communities to oppose projects they could otherwise support with proper conditions:

Now Therefore Be it Resolved, The VNC Board calls upon the City Council to adopt a policy to:

1. Authorize the imposition of land use conditions that protect public health, safety and welfare by

Venice Neighborhood Council

mitigating potential adverse impacts from the sale or service of alcohol, consistent with the practice of other jurisdictions statewide as well as the City's decades-long practice prior to 2012;

2. Maintain and enforce previously-imposed CUB conditions on the sale or service of alcohol; and

3. Prohibit the removal of previously-imposed conditions outside the public processes mandated under the City Charter and Zoning Code.

[Discussion and possible action]

A “Venice Sign Offs” (VSOs)

Recommended by LUPC on 1-5-16 by a vote of 5-2-0 (TD/MK):

MOTION:

1. Whereas “Venice Sign Offs” (VSOs), now done solely by the Los Angeles Department of City Planning (DCP), have the effect of shielding proposed housing projects in Venice from the appropriate and legally mandated public scrutiny;
2. Whereas VSOs are done by one planner, who has stated that he does not take into consideration questions of “mass, scale and character” even though “mass, scale and character” is part of

Venice Neighborhood Council

the local and state law, including the Coastal Act and the L.A. General Plan Venice Community Plan (certified) Land Use Plan;

3. Whereas VSOs allow projects to go forward without fully analyzing their impact on Affordable Housing per Los Angeles City ordinances, or analysis of their implications regarding the state's Mello Act;
4. Whereas VSOs have not adequately considered or analyzed historically significant buildings and resources, the VSOs are causing damage to our historic heritage and possibly prejudicing our future Local Coastal Plan and any potential historic district;
5. Whereas VSO's give exemptions to CEQA (California Environmental Quality Act) without adequate analysis, frequently without complying with the state's requirement that no exemption be given if a development runs counter to a neighborhood's mass, scale and character;
6. Whereas VSOs expedite development of projects without public input and therefore endanger the integrity and character of our Special Coastal Community, and our population's diversity, and these VSOs could therefore prejudice our legally mandated "Local Coastal Plan" before it is even written;
7. Whereas the VSO Administrator also acts as the City's Mello Act Coordinator, reducing the transparency of Mello Act Determinations for the public and creating doubt about their accuracy;
8. Whereas the City's process for determining whether replacing low- or moderate-income housing is financially feasible is deeply flawed, and the processing and coordination provided by the DCP and the VSO Administrator avoids a public and transparent process;
9. Whereas only the Western Center on Law and Poverty and the Legal Aid Foundation of Los Angeles are notified about "replacement affordable units" housing determinations for proposed developments and those notices are not always sent to/received, or opened by those two organizations;
10. Whereas VSOs allow the City's Affordable Housing law analysis to be considered separately from and prior to other aspects of proposed developments, and effectively "piece-meal" the planning and permit process, which is illegal in California, and does not serve the community interests of Venice;
11. Whereas VSOs authorize Coastal Exemptions, they usurp the authority as well as the spirit of the California Coastal Act and the Coastal Commission and are not in the best interests of Venice; and
12. Whereas cumulatively VSOs violate the rights and equal protection due Venice residents and other landowners.

THEREFORE Be it Resolved that:

The VNC Board shall:

1. Demand that the City of Los Angeles permanently cease issuing "Venice Sign Offs" (VSOs) effective immediately, and that all projects go through a transparent, public process;
2. Request that our City Councilman Mike Bonin immediately request a meeting with the City Attorney's office, Kevin Jones and the DCP to demand the immediate termination of "Venice

Sign Offs”(VSOs) as they illegally act to “piece-meal” the planning process, violate local and state housing law, and damage the character of our protected Special Coastal Community of Venice; and

3. Demand that the DCP shall swiftly notify the Venice LUPC and the general public in Venice when any proposed project may potentially impact affordable housing issues, or “Mass, Scale and Character”.

D Conditions for Zipline applied to all OFW Concessions (Melissa Diner on behalf of the Ocean Walk Front Committee melissa.diner@venicenc.org)

MOTION: The Venice Neighborhood Council recommends that the same standards and requirements for the Zipline be implemented and committed to by the city, Ice Rink vendors and any concessions on Ocean Front Walk. The Venice Community will waive all said fees until venture proves profitable, based on mandatory minimum annual review regardless of earnings until such date. See Addendum. (These meetings will serve as a local resource for concessions in Venice to connect with the local community, whom will feel genuinely vested in their success and will be able to help support vendors with local resources not known or able to be provided by the city, or other government agencies.)
