

Oxford Triangle Neighborhood Petition regarding future development of Thatcher Yard

The Thatcher Yard property was acquired by the City of Venice in 1916 and has been the property of the City of Los Angeles since a few years thereafter. The LA City Departments that have operated from Thatcher Yard have been good neighbors since before any of us lived in the Oxford Triangle. The Oxford Triangle Neighborhood Study of 1988 indicated that 'the City Maintenance Yard...must remain R-1. We welcome the City to retain Thatcher Yard for future use, but if the City determines that the property is no longer needed and prefers that the site be redeveloped as housing, the undersigned Oxford Triangle homeowners and residents want Thatcher Yard rezoned to R1-1 to conform with and complement our residential neighborhood of single-family homes.
