MOTION: The VNC supports this project as presented, noting:

1. The only change to the conditions of CUB is a change of hours to remain open to 2am, similar to neighboring businesses.
2. The property is entitled to 14 parking spaces per 1999 CPC. This project as presented to the VNC is for 698 sqft of service floor area, which requires 14 parking spaces.
3. While we realize that Planning has refused to condition recent projects with pollution and noise mitigation measures, the community feels very strong that all new restaurants near residential homes (as this one is) make significant efforts to reduce odor, smoke, and noise, including using “scrubbers”.
