A. Second Request (Matt Shaw, matt.shaw@venicenc.org) (10 minutes)

MOTION: Whereas, on August 31, 2016 the VNC sent a letter to Councilman Bonin asking that 'the City present all current projects to our council in whatever state they are presently and stop taking any actions until such time as our council and stakeholders have had a chance to voice our opinion on any and all proposals.'; and

Whereas, recent actions by the City of Los Angeles with Councilman Bonin's knowledge have occurred without community discussion or engagement with the VNC,

Therefore be it resolved that the VNC hereby gives Councilman Mike Bonin notice that he has not complied with the VNC's request dated 8/31/16 to be informed, updated, and engaged in any and all city projects within Venice proper and again ask that the City present all current projects to our Council in whatever state they are presently in and stop taking any actions until such time as our Council and stakeholders have had a chance to voice our opinion on any and all proposals. We further request that any changes of use or intensity, additions, or extensions of any and all current programs be brought before the VNC for discussion and approval.

B. Windward Lighting (George Francisco, on behalf of the Neighborhood Committee, vp@venicenc.org)
(10 minutes)

MOTION: Whereas Windward Avenue west of Pacific Ave, the Venice Boardwalk, and the Venice Beach Recreation Center are historically high crime areas and;
Whereas the installation of blue colored lighting has been correlated to crime reduction in Glasgow, Scotland and Nara, Japan and suicide reduction in Yokohma, Japan and;
Whereas research has demonstrated that blue (short wavelength) light is a potentially effective treatment for seasonal affective disorder and has helped reduce stress-response in non-human subjects and;
Whereas blue light has been proven to temporarily improve cognition and enhance responses to emotional stimuli:
Therefore the the VNC Board recommends to Councilman Mike Bonin, the City of Los Angeles Department of Recreation and Parks, the City of Los Angeles Department of Street Lighting, and the Los Angeles Police Department to replace the white LED street lights with blue lights on Windward Boulevard west of Pacific Ave and in the Venice Beach Recreation Center area for 1 year to determine whether this application will create a reduction in crime.
