1. Call to Order and Roll Call

2. Approval of the Administrative Committee Agenda

3. Approval of outstanding Administrative Committee minutes

4. Announcements & Public Comment on items not on the Agenda

5. Old Administrative Committee Business

6. New Administrative Committee Business

6A Approval of Election Information Worksheet

MOTION: The Administrative Committee approves the Election Information Worksheet with the following Drop Box locations: (to be discussed & filled in at the meeting).

Uploaded Documents: [Download 01601541978.pdf](#)

6B **Mission Statement for Ad Hoc Committee on Bridge Housing (vicki.halliday@venicenc.org)**

MOTION: The Administrative Committee approves the following Mission Statement for the Bridge Housing AdHoc Committee: The Oversight Committee for Bridge Housing shall be composed of nine (9) members of which at least five (5) will live within 500 feet of this facility to ensure maximum representation from the community. All community members must be a Venice stakeholder. That the Oversight Committee Chair be a current member of the Venice Neighborhood Council to ensure productivity and community input. The goals of the Oversight Committee shall be the following: ·

- Hold bi-monthly meetings to ensure neighborhood transparency while inviting the appropriate city officials including CD-11 so that residents are fully informed.
- To ensure community benefit rules are enforced
- That the appropriate security guidelines be enforced

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

- That all data related to bridge housing residency be distributed to the committee online from data gathered from PATH, SPY and LAHSA
- Mandatory Sanitation Department clean-ups occur in and around this facility on a timely basis
- That all crime statistics regarding this facility be updated on a monthly basis and posted on the VNC website.
- That the Bridge Housing facility be free of drugs, weapons and alcohol
- That the Oversight Committee report its findings to the Homeless Committee of the VNC, who will, in turn present at the monthly VNC board meetings.

6C Mission Statement for AdHoc Public Health & Safety Committee

(soledad.ursua@venicenc.org)

MOTION: The Administrative Committee approves the following Mission Statement for an AdHoc Public Health & Safety Committee: The Venice Neighborhood Council's Public Health & Safety Committee's ("PHSC") mission is to increase all aspects of the personal safety and health of Venice residents and visitors, in concert with Public Health Officials, the Los Angeles City Police and Fire Departments, and all Los Angeles City Departments with a similar mission, such as Building and Safety, Sanitation, and Animal Services. The PHSC will recommend ways for the VNC to advise government agencies on measures to effectively improve stakeholder safety, while also promoting a direct departmental-to-stakeholder collaborative approach, encouraging community-based solutions to address local challenges.

6D Consideration and approval of October 20, 2020 Draft Board Agenda

7. Adjourn

Note (i) The Administrative Committee does not address or consider the merits of proposed agenda items. Its function is to determine whether a proposed agenda item will be placed on the next Board meeting agenda, postponed, referred to a specific committee for review and recommendation, treated as an announcement, or considered and resolved as a non-Board administrative matter. (ii) The Administrative Committee has the discretion to reorder consideration of matters on the agenda to accommodate stakeholders or for other reasons.

- 8. Announcements and Public Comment on items not on the Agenda (PM - 10 minutes)**
[No more than 1 minute per person – no Board member announcements permitted]
- 9. General Consent Calendar (PM -- 5 minutes)**
[All agenda items on the Consent Calendar will pass when the Consent Calendar is approved. No discussion or Public Comment is allowed on any item. Items may be removed by any board member or stakeholder. Removed items will go to the end of the agenda and be treated as regular agenda items with discussion and public comment.]
- 9A CIS in Support of CONRAC LAX (James Murez on behalf of Parking & Transportation Committee)**
MOTION: The VNC shall submit a Community Impact Statement supporting Council File 19-1586 as follows: The VNC supports Council File 19-1586's call for a study of the feasibility of reaching up to 80% electric car rentals at LAX by 2024. This could save money and help reduce smog. Planning ahead for rental EVs at LAX just makes sense.
Recommended by Parking & Transportation Committee 6-0-0 on 2020-10-05
- 9B CIS in Support of Motor Vehicle Idling Time (James Murez on behalf of Parking & Transportation Committee)**
MOTION: The VNC shall submit a CIS in support of Councilmember Koretz's motion to limit parked motor vehicle idling time – Council File 19-0604 as follows: CIS: The VNC, representing more than

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

40,000 resident stakeholders, supports Councilmember Paul Koretz's motion to ban parked vehicle idling. It is necessary to address the issues of poor air quality in Los Angeles in light of concerns about the climate emergency. At least 7 states, and many cities, have already implemented a car idling ban. NYC has had one of the strongest all-vehicle parking idling laws for decades. We are in support of adopting the best practices from these other states and cities. There are exemptions for extreme temperatures, the health and the well-being of passengers, safety or emergency vehicles and commercial vehicles. This will not hurt low-income or homeless people, it will not be enforced in any way if the health or wellness of vehicle occupants are at stake, it will not interfere with necessary emergency and safety vehicle functions, and it will not interfere with commercial vehicle functions that require a parked idling engine. Research has consistently found that it's less polluting and more fuel-efficient to turn off a modern, fuel-injected vehicle than let it idle for more than 10 seconds long. Limiting needless vehicle idling to one minute or less will protect everyone. We need an effective ordinance coupled with a good educational campaign by LADOT. This motion would raise consciousness to turn off parked idling vehicles. The VNC calls on LA City Council to support Koretz's parked vehicle idling ban and post "Clean Air Zone - No Idling Allowed" signs in sensitive areas.
Recommended by Parking & Transportation Committee 6-0-0 on 2020-10-05

- 9C CIS in Support of Telecommuting** (James Murez on behalf of Parking & Transportation Committee)
MOTION: The shall submit a CIS in support of City Council Files 20-0584 and 20-0498 which would create incentives for employees of businesses and for government officials and employees to work from home. While remote work is not a panacea for the climate crisis, making the practice more widespread and available in Los Angeles could help to reduce commuter traffic, which would have the benefit of reducing vehicle air pollution and greenhouse gas emissions. Teleworking is just one of many tools in our toolbox that we must utilize to fight the climate crisis and create sustainable air quality improvements to our region. By improving air quality, we also create healthier Angelenos. Air pollution is linked to a host of health problems and makes people more vulnerable to COVID-19. A recent UCLA study found that approximately 14,000 premature deaths could be avoided annually if California decreases greenhouse gas emissions to net-zero by 2050. Underserved communities who suffer the most from air pollution would see disproportionately higher level of benefits from cleaner air, the study also found. The VNC supports the City studying these issues further and exploring its implementation in the City of Los Angeles.
Recommended by Parking & Transportation Committee 6-0-0 on 2020-10-05
- 9D METRO Bus Capacity** (James Murez on behalf of Parking & Transportation)
MOTION: The VNC shall send a letter to the Metro (Los Angeles County Metropolitan Transportation Authority) requesting: To lower Metro's COVID-19 Max Load limit for 60' busses from 30 to 20 in order to enable safer Social Distancing and increasing the frequency of affected routes to make up for the reduced seating capacity.
Recommended by Parking & Transportation Committee 6-0-0 on 2020-10-05
- 9E Add Stop Sign 5th & Vernon** (James Murez on behalf of Parking & Transportation Committee)
MOTION: The VNC shall write a letter to LADOT requesting stop signs be installed on Vernon Ave at the corner of 5th Ave.

10B Westside Community Plan

MOTION: Whereas the public feedback period for the Westside Community Plan update is scheduled to close October 15, 2020, and

Whereas LA City Planning is committed to “Charting [a] Course for More Fair, Just, and Equitable Los Angeles” (<https://planning.lacity.org/resources/message-city-planning>); and

Whereas COVID-19 has required the city’s outreach to be conducted remotely over the internet, leaving those without access to computers and internet to be left out of the outreach process; and

Whereas other Community Plan Updates have included mobility elements, demographic trends, and the Dwelling Unit Capacity calculated for the existing and updated plans including population estimates used, such as the San Pedro Community Plan (https://planning.lacity.org/odocument/ee5aacb-fce7-4dc2-9f91-2df177a48417/San_Pedro_Community_Plan.pdf), West Adams-Baldwin Hills-

Leimert Community Plan (https://planning.lacity.org/odocument/78984e0b-a63d-4533-ba57-4f84b8fd7696/West_Adams-Baldwin_Hills-Leimert_Community_Plan.pdf), and South Los Angeles Community Plan (https://planning.lacity.org/odocument/b909e749-754e-4caa-af7f14c82adaa2b7/South_Los_Angeles_Community_Plan.pdf),

Whereas Venice stakeholders have voiced concerns **at regarding** the draft concepts presented by the LA City Department of **City** Planning’s proposed Planning the Westside Community Plan update **and the lack of adequate community outreach during the COVID-19 pandemic;**

Therefore, be it resolved that:

1) the Venice **Neighborhood** Council requests Los Angeles City Planning commit to a second public presentation of draft plans and period of public feedback for the Westside Community Plan update, and

2) a second presentation of draft plans include, but not be limited to, elements pertaining to mobility; infrastructure; demographics; existing and proposed zoning of the entire Venice Community Plan Area in **a redline** format for comparison; the Dwelling Unit Capacity calculated for the existing and updated plans including population estimates used; and average tenure of current renters and owners, and

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

3) the second period of presentation will take place no later than March 2021 or when emergency restrictions due to COVID-19 are lifted allowing in-person meetings; and

4) The public be given a 30-day period to submit additional comments after the aforementioned presentation.

10C City Planning develop standards for land use and zoning in Venice

MOTION: WHEREAS the production of new housing units across the City and the Venice community should be knowingly and responsibly shared equitably, such that no one community or neighborhood within any community shoulders a disproportionate burden of housing production.

WHEREAS the Los Angeles Department of City Planning (City Planning) released a draft update for the Venice Land Use Plan wherein it identifies only the Oakwood neighborhood in its Overview of Potential Change Areas, as a neighborhood where additional dwelling units should be produced, thereby placing the entirety of the burden of production of the required additional dwelling units in Venice solely on the Oakwood neighborhood.

WHEREAS the City's land use and zoning plans over the last 70 years, as well as City Planning's latest draft update for the Venice Land Use Plan, imposes a plan on the Oakwood community that is inconsistent with the historical urban character and fabric of the community.

NOW THEREFORE, the Land Use and Planning Committee of the Venice Neighborhood Council moves to have the City Planning develop standards for land use and zoning in Venice that will be consistent with RHNA requirements and that will distribute the production of additional housing in Venice fairly and equitably across the entire community while respecting the historical, cultural and urban character of the Oakwood community.

12D Community Plan Recommendations (james.murez@venicenc.org)

MOTION: Recommend the VNC send the following statement to LA City Planning in reference to the Venice Draft Community Plan update (VDPC). (NA,AW 6,0,0) The VNC recommends that the following items be amended to the draft Community Plan. i. The heritage of our unique beach front community shows that Venice of America was created to be a visitor serving destination, occupied by uses that enhanced the amusement experience while nourishing all classes of local residents. ii. Venice's founders laid out the entire city around visitor access to be provided through several modes of transportation, starting with the arrival and departure by railroad. Then, once in the region, local circulation occurred by smaller shuttles and other means of mobility, which included horse drawn buggies, boat rides, bicycles and walking. Several of these original forms of transportation no longer exist. For example, the right-of-ways which were dedicated for railroad use have been converted into substandard automobile streets. Many of the historic boat canals were filled in and now service as oversized streets. These adaptations need to be reconsidered as to how to best serve the current needs, particularly where limited ADA compliant walking access exists. iii. All future transportation and mobility designs for Venice must address local needs while also serving visitor access. iv. Local requirements for parking need to offer solutions that allow preservation of the historic nature of the community to exist. Smaller commercial lots cannot meet the minimum parking requirements mandated by ADA while also meeting the vision of having vibrant resident and visitor serving uses. v. The tract map dedications for streets and alleys must accommodate transportation goals while addressing the character, scale and mass of private property development. Increasing the street widths to comply with the 2035 Mobility Transportation must be stopped. vi. Transportation related issues for commercial corridors must serve their workforce and customers without creating negative impacts on surrounding residential neighborhoods. vii. All forms of visitor serving uses need to address access and transportation requirements. viii. Parking and transportation demands must consider access to public beaches and ocean front walk in addition to private property requirements. ix. Property intensity and trip traffic generating uses must be factored into a comprehensive analysis that balances transportation capacity, travel time and quality of life indicators for existing and future development. x. Thoroughfare uses need to address local needs and

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

discourage commuter cut through traffic on all roadways excluding Lincoln Blvd. (CA #1) and Venice Blvd. east of Lincoln Blvd. xi. Bus routes need to serve commercial and residential uses with a frequency and scale that does not restrict access nor oversaturate service based on ridership load or drop-off demands. When ridership demands within the coastal zone drop below 50% of service capacity on north/south bound routes, buses should be detoured to Lincoln Blvd. xii. Bus Layover Zones should be restricted to loading and unloading of visitors with a 10 minute maximum layover allowance. Public buses should be restricted from any form of non-operation, including end-of-route layovers or resynchronizing of bus schedules, within the coastal zone. xiii. Encourage multiple family residential units by introducing a simplified parking standard similar to areas outside the coastal zone within Los Angeles City.

12E Metro NexGen Postponement (james.murez@venicenc.org)

MOTION: The VNC send a letter to the Metro (Los Angeles County Metropolitan Transportation Authority) requesting: To postpone the adoption of the LRTP (Long Range Transportation Plan) for at least a year. The LRTP in its current form is based entirely on pre-COVID-19 data. It would make more sense to wait until we have a better understanding of how the COVID-19 crisis reshapes working and commuting behavior before adopting a plan for the next 10+ years of transit policy.

Recommended by Parking and Transportation Committee 6-0-0 on 10/5/20

12F Making Slow Streets Permanent (james.murez@venicenc.org)

MOTION: The VNC supports submitting a Community Impact Statement regarding making Slow Streets permanent for Council File 20-0838 as follows: CIS: The VNC has multiple concerns about the feasibility of developing a permanent network of Slow Streets, specifically: 1. There should be thorough outreach to stakeholders before this program is implemented and a requirement for Neighborhood Councils to be part of the process 2. There should be clear criteria for how neighborhoods opt-in to the Slow Street program a. The report should address issues regarding liability for sponsoring organizations b. The report should address the current lack of consistency in street selection and establish criteria for what is an appropriate street for a Slow Street 3. There should be a requirement for ongoing follow-up studies and publicly available data on whether these changes actually yield the desired outcomes 4. The report should identify the means of enforcement, whether by LAPD, LADOT, Parking Enforcement or another entity. In addition: a. Will street sweeping be enforced on a Slow Street? b. Will overnight parking restrictions be enforced on a Slow Street? 5. The report should address the problem of cut-through traffic when drivers re-route to avoid Slow Streets a. The report should also address ways to minimize driver confusion with the new signage and street usage The VNC encourages the City to redouble its efforts to find appropriate green space, i.e. new parks, walk streets, pedestrian plazas, etc. versus taking away needed transportation infrastructure to meet green space needs. The VNC would like to see these issues be addressed in any feasibility study and see this feasibility study made publicly available.

12G Mission Statement for Ad Hoc Committee on Bridge Housing (vicki.halliday@vnc.org)

Mission Statement for Ad Hoc Committee on Bridge Housing (Vicki Halliday)

MOTION: The Administrative Committee approves the following Mission Statement for the Bridge Housing AdHoc Committee: The Oversight Committee for Bridge Housing shall be composed of nine (9) members of which at least five (5) will live within 500 feet of this facility to ensure maximum representation from the community. All community members must be a Venice stakeholder. That the Oversight Committee Chair be a current member of the Venice Neighborhood Council to ensure productivity and community input. The goals of the Oversight Committee shall be the following:

- Hold bi-monthly meetings to ensure neighborhood transparency while inviting the appropriate city officials including CD-11 so that residents are fully informed.
- To ensure community benefit rules are enforced
- That the appropriate security guidelines be enforced
- That all data related to bridge housing residency be distributed to the committee online from data gathered from PATH, SPY and LAHSA
- Mandatory Sanitation Department clean-ups occur in and around this facility on a timely basis
- That all crime statistics regarding this facility be updated on a monthly basis and posted on the VNC website.
- That the Bridge Housing facility be free of drugs, weapons and alcohol
- That the Oversight Committee report its findings to the Homeless Committee of the VNC, who will, in turn present at the monthly VNC board meetings.

Date of meeting: 2020-09-09

Request Title: Resolution Supporting East Grand Blvd. Community Median Garden

Agenda Motion Request: Resolution Supporting East Grand Blvd. Community Median Garden

Whereas, the City of Los Angeles is hard pressed to maintain the many street medians and parkway areas in Venice, and

Whereas, the resident group Neighbors of Grand has landscaped the southern median at the intersection of East Grand Blvd. and North Venice Blvd. at considerable time and expense, and

Whereas, this community garden significantly enhances the neighborhood and this entrance to Venice, and
Whereas, Neighbors of Grand is committed to continuing to water, prune and maintain the garden free from trash,

Whereas, it is problematic to stretch a water hose across East Grand Blvd. each time the garden needs to be watered (one hose has already been ruined by the tires of a large truck), now,

Therefore, be it resolved, the Venice Neighborhood Council recognizes and applauds the creation of the East Grand Blvd. community median garden, calls upon the Bureau of Street Services to coordinate any and all of its activities regarding the garden with the Neighbors of Grand, and asks the Bureau of Street Services to provide water to the site, from the median of Venice Blvd., in a locked box from which a drip irrigation system may be installed and administered by Neighbors of Grand to allow for the healthy growth of this garden.

Upon approval this Resolution shall be forwarded to Bureau of Street Services General Manager Adel Hagekhalil at adel.hagekhalil@lacity.org and Councilmember Mike Bonin

Request Title: Venice Homeless Initiative: We Are All Venice

Committee: administrative

Agenda Motion Request: Phoenix Wade and myself, Matthew Schwartz, are looking to plan soup kitchens in the Venice community in an effort to mend relations between the homeless population and provide much needed assistance. Attached is a proposal that includes the who, what, when, where, why, and how. Please reach out to discuss any questions or concerns. We have yet to hear a response from the Homeless Committee and have been in touch with Jim Robb.

Request Title: Support for Venice Flying Carousel

Committee: administrative

Agenda Motion Request: Whereas the Venice Flying Carousel (VFC) is a not-for-profit community project initiated by Robin Murez in partnership with the Venice Chamber Community Foundation (501c3) and funded by community donations and pro-bono services, and with proceeds exclusively dedicated to benefit the community; and Whereas the VFC is an off-the-grid, bicycle propelled, Venice themed, merry-go round "playground equipment" engineered for adults and children to enjoy, permanently, under a "big top" securely enclosed tent in Centennial Park (see VNC Carousel Motion Attachment Summary for specifics); Be it therefore resolved that the VNC Board is requested to adopt the following motion: The VNC Board supports the above described Venice Flying Carousel initiative as detailed in the VNC Carousel Motion Attachment Summary & its requests: • For a letter of support to the Los Angeles Department of Recreation and Parks and Los Angeles City Councilmember Mike Bonin, Council District 11; and • For a contribution of Five Thousand Dollars (\$5,000) funding to the VFC; and • That Los Angeles City Council District 11 expedite its installation by providing substantial funding and cooperating as appropriate with other departments.

Date of meeting: 2020-10-12

Request Title: Resolution to Return Traffic Lanes on Pacific Avenue from 8AM to 8PM

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

Agenda Motion Request: MOTION: Resolution to Return Traffic Lanes on Pacific Avenue from 8AM to 8PM (mark.ryavec@venicenc.org and brian.averill@venicenc.org) Whereas, the Venice Neighborhood Council approved, on a narrow 10-8-1 vote in February of 2019, a motion to allow parking on both sides of Pacific Avenue between 8AM and 8PM from Marine to Windward, and whereas, the Venice community and its visitors have had approximately one year of experience with this configuration, and whereas, the loss of two traffic lanes on Pacific Avenue between 10AM and 3PM during the week has caused significant daytime traffic congestion on Pacific Avenue, especially during the summer, on holidays and on weekends, and whereas, any attempt to parallel park on a busy beach day causes instant gridlock on Pacific and a cacophony of car horns; and whereas, sightlines have been drastically and dangerously reduced for both drivers and pedestrians turning onto or crossing Pacific; therefore, be it resolved, that the Venice Neighborhood Council requests LADOT to return to "no parking" on Pacific Avenue from 8AM to 8PM from Marine to Windward seven days a week and further for LADOT and LAPD to implement measures to protect pedestrians and enforce the speed limit along Pacific Avenue while maintaining four-lane capacity 8AM to 8PM. Upon approval this resolution shall be forwarded to Ms. Seleta Reynolds, the General Manager of LADOT, at seleta.reynolds@lacity.org, Councilman Mike Bonin, at mike.bonin@lacity.org and Mobility Deputy Alek Bartosouf, at alek.bartosouf@lacity.org

SENT TO LUPC

Venice Community Plan concepts for Ocean Front Walk (Jim Robb on behalf of Ocean Front Walk Committee)

MOTION: Whereas, the current Venice Community Plan concepts propose that Ocean Front Walk be a "mixed-use corridor," and that the height limit increase to 4 stories; Whereas, Section 30253 of the Coastal Act requires siting new development so that that it minimizes risks to life and property. Ocean Front Walk is located in an area vulnerable to flood hazards and sea level rise and as such, development and density and thus the amount of housing in hazardous areas such as Ocean Front Walk must be minimized; Whereas, land use designations and intensities must be commensurate with the level of available infrastructure and if there are current infrastructure constraints it may be necessary to scale back development potential; and per the certified Venice Coastal Zone Land Use Plan, which is part of the Venice Community Plan (LUP): "Residential land use densities in this LCP have been assigned in the Venice coastal area to reflect the year 2010 Venice population as based on circulation and infrastructure limitations, the assigned Land Use Categories result in substantially lower build out densities than current zoning capacity. The development standards also define for each land use designation a density of housing units and lot coverage to maintain the scale and character of existing residential neighborhoods and minimize the impacts of building bulk and mass. New residential development is linked to the availability of public services and infrastructure, and in addition to traffic consideration, environmental and coastal access concerns as required by the Coastal Act;" projected by the Southern California Association of Governments (SCAG). Whereas, one of the most important goals of the Venice Community Plan is to protect housing; Whereas, allowing conversion of a 100% residential structure to mixed use, even if the same number of existing residential units are incorporated into the new commercial use, does not protect the 100% residential structure and use and is a violation of the Mello Act state law; Whereas, in order to keep the same number of units (and the same sized units) as an existing 100% residential use, a new mixed use development must be made significantly larger than the existing 100% residential structure, most likely beyond the upper limits of mass and scale allowed in the LUP, in order to accommodate both

Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

the size and number of the existing units as well as the additional commercial business(es). This forced increase in size would change the scale and character of Ocean Front Walk and thus would have an adverse effect on the visual resources and character of the area, in violation of Coastal Act Sections 30251 and 30253 as well as the LUP; and Whereas, preserving and protecting the character and scale of the Venice Coastal Zone, designated by the Coastal Commission as a Special Coastal Community, is required by Coastal Act Sections 30251 and 30253 as well as the LUP. Therefore Be It Resolved, that the Venice Neighborhood Council recommends that the Venice Community Plan concepts for Ocean Front Walk indicate that all development standards, including height, remain the same as in the current LUP, that there must not be any conversions of 100% residential structures to mixed-use/commercial, live/work or AIR uses, and that there must not be any changes in zoning from residential to commercial.

Request Title: Venice Blvd Median Project

Committee: administrative

Agenda Motion Request: (Case: VTT-82288 &

CPC-2018-7344-GPAJ-VZCJ-HD-SP-SPP-CDP-MEL-WDI-SPR-PHP) Whereas: The City is lacking of public parking for beach visitors as well as commercial and residential projects throughout the Venice Coastal

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

Zone, and whereas this location is one of two parcels where the City owns properties large enough to make a sizable deficit to this short coming, and whereas the California Coastal Commission has made it clear to the City by denying two prior Permit Parking Coastal Development Permit Applications that any removal of on-street public parking must be replaced at a 1:1 ratio with off-street parking before they will approve the application request and whereas any development project that does not address the traffic congestion that occurs on Venice Blvd and Pacific Ave during warm weekends and holidays is not addressing a major regional transportation problem. Furthermore, Venice Blvd has an approved and adopted Landscape Plan that is tied to the CCC Certified Land Use Plan whereby it specifies this roadway as the "Ceremonial Gateway to Venice Beach" and as such the proposal to remove mature trees would violate the intent and prior CDP that approved planting native trees at this location. Additionally, the proposed project intends to remove a huge amount of dirt during construction thereby causing a lot of disruptions to local traffic which can't be fully mitigated in this residential neighborhood. And finely, the proposed project is described to incorporate LADOT Lot #701 where the Venice Farmers' Market operates serving the local community with farm fresh produce on a weekly bases and any impacts on Fridays during operation hours will force the market to shut down and cease to exist. The VNC send a letter to LA City Planning, Mayor Garcetti, County Supervisors and California Coastal Commissioners recommending denial of proposed project.
