11E. Council File 21-0350 to build tiny houses, provide safe camping, and provide safe parking at various locations in CD11, Culver City, and Los Angeles County parking lots.

<https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=21-0350>

In reference to council file 21-0350, the Venice Neighborhood council opposed a feasibility study to explore the possibility of using beaches, beach parking lots, and public parks for safe parking, camping, and/or tiny homes. Open space and parking for the beach are extremely limited and the city should not be looking to take away these much needed amenities in the communities throughout CD 11. Furthermore, as the humanitarian crisis on our streets escalates at an exponential rate, it is fiscally irresponsible to engage in feasibility studies. The council should immediately review the list of underutilized properties from the controller's office. Finally the VNC supports the Westside Regional Association of Council's WRAC motion to strongly advise members of the Los Angeles City Council and the Mayor that WRAC opposed using the beaches, beach parking lots, and public parks for housing of

13C WRAC Motion to Facilitate Greater Use of 5150 Holds and Conservatorships (Mark Ryavec, mark.ryavec@venicenc.org)

MOTION: Severely mentally ill persons in Los Angeles, who are unable to avail themselves of current public services, are dying on our streets. We demand the City of Los Angeles collaborate with the County of Los Angeles to fully utilize the Lanterman-Petrus-Short Act, including section 5150, and to fast-track conservatorships of these individuals, to enable life-saving care. Further, we ask that the city add to its legislative program a demand that the State Legislature provide funds to the county to create as many fully-staffed psychiatric beds as necessary to properly house and treat these individuals. Report: The Lanterman–Petris–Short (LPS) Act (Cal. Welf & Inst. Code, sec. 5000 et seq.) regulates involuntary civil commitment to a mental health institution in the state of California. The act set the precedent for modern mental health commitment procedures in the United States. The bipartisan bill was co-authored by California State Assemblyman Frank D. Lanterman (R) and California State Senators Nicholas C. Petris (D) and Alan Short (D), and signed into law in 1967 by Governor Ronald Reagan.[1] The Act went into full effect on July 1, 1972. It cited seven articles of intent: • To end the inappropriate, indefinite, and involuntary commitment of mentally disordered persons, people with developmental disabilities, and persons impaired by chronic alcoholism, and to eliminate legal disabilities; • To provide prompt evaluation and treatment of persons with serious mental disorders or impaired by chronic alcoholism; • To guarantee and protect public safety; • To safeguard individual rights through judicial review; • To provide individualized treatment, supervision, and placement services by a conservatorship program for gravely disabled persons; • To encourage the full use of all existing agencies, professional personnel and public funds to

Venice Neighborhood Council

Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

accomplish these objectives and to prevent duplication of services and unnecessary expenditures; • To protect mentally disordered persons and developmentally disabled persons from criminal acts. As administered today in Los Angeles County, it does not adequately address the thousands of mentally ill homeless individuals languishing on public property throughout our communities. The three-day psychiatric holds that are permitted are employed only in the most extreme circumstances and are relatively useless in gaining the long-term psychiatric care that is often needed to improve patients' mental and physical conditions. The longer conservatorships allowed under the Act are even more rare due to the severe lack of psychiatric beds. Los Angeles County only has 22.7 out of the recommended 50-per-100,000 mental health beds.

(<http://file.lacounty.gov/SDSInter/bos/supdocs/131546.pdf>,

[documents/backgrounders/bed-supply-need-per-capita.pdf](https://www.treatmentadvocacycenter.org/storage/documents/backgrounders/bed-supply-need-per-capita.pdf)) Dr. Jonathan Sherin, of the County Department of Mental Health, in response to a motion in the LA Alliance case, identified the many deficiencies in the county's mental health system, and recommended the county add an additional 500 beds. Of those 500 beds, the county has only added a little over 100.

(<http://file.lacounty.gov/SDSInter/bos/supdocs/132696.pdf>. LA Alliance attorney Elizabeth Mitchell recently wrote: "If you talk to folks who run the county psych facilities, they will tell you horror stories about people sitting in emergency wards for months waiting for interim and long-term mental health beds, which means they have nowhere to put new patients in crisis, and literally have to turn away people being brought in on 5150 holds. Courts won't conserve even desperate mental health patients because there's nowhere to put them." Motion authored by Dr. Renee Sabshin and Mark Ryavec Unanimously approved by WRAC on May 17, 2021

13D Re-instatement of enforcement of no camping on public sidewalks between 6 am and 9 pm (Joanne Rutgers, jojoricky1@gmail.com)

MOTION: We request a return to the enforcement rules under the settlement of Jones vs. City of Los Angeles. The pandemic was the provided reason for the moratorium on this enforcement, and now the pandemic has ended. We request the renewal of non-enforcement only between the hours of 9 pm and 6 am now, without waiting for fulfillment of any consent decree.
