

Hello fellow Venetians!

Want to feel better prepared in an emergency situation? Get to know your neighbors and neighborhood? Learn critical skills to save yourself and others? Join us!

We're offering the following in-person events:

**Assessing, Mapping and Communicating Hazards & Vulnerabilities in Venice** Our friendly Neighborhood Team Program is conducting a free training! You will learn how to notice and assess danger areas like high-voltage power lines, gas lines, and gas stations, construction sites, downed trees, dry grassland, and other fire hazards. You will also review how to use two-way radios for communication to know how to alert each other. Finally, you will be using all these new skills to create a map, including possible hazards, of our Venice neighborhoods. Note: We will provide maps and some two-way radios. Please bring your own two-way radios (walkie-talkies) if you have them and water. If you come by car, some of us can go out by car to assess and map the neighborhood.

Date: Saturday, April 30th

Time: 9:30 AM - 12:00 PM

Location: Penmar Park

RSVP: Need to know if you will be present + any additional person(s) to be able to provide enough maps and radios. Please send an RSVP to Anneke Campbell ([annekeh@gmail.com](mailto:annekeh@gmail.com)) or Keith Harrison ([keith.harrison@venicenc.org](mailto:keith.harrison@venicenc.org)).

**Bandaging and Basic First-Aid**

Our friendly Neighborhood Team Program is conducting another free training! They will have a practice dummy, gurneys, and bandages to use in learning and practicing basic first-aid techniques.

Date: Saturday, May 28th

Time: 9:30 AM

Location: Penmar Park

RSVP: Not necessary!

As always, if you would like to be part of our Venice Resiliency Committee or have any comments or ideas you'd like to share with us, please join us at our monthly meeting! We meet on the second Tuesday of every month at 6:30PM via Zoom. Our next meeting is on Tuesday, May 10th at 6:30PM. Agendas with links to the meetings are available at this link (scroll to bottom of page):

<https://www.venicenc.org/committees/viewCommittee/community-resiliency-committee>

Finally, if you have some time (or want to break it up into sections!), we encourage you to watch our Emergency Preparedness Town Hall where we discussed how to ready your L.A.

neighborhood. Learn directly from preparedness pros like Crisanta Gonzalez of the L.A. Emergency Dept., LAFD's Deputy Chief, and Red Cross L.A. who go over surviving in emergency scenarios: <https://www.youtube.com/watch?v=3mOHuBKbIZw>.

We hope to see you soon!

-Your Venice Community Resiliency Committee
