6 BEAUTIFY LA, Mayor Grant Application

Description:

The proposed project is to enhance the unknown gem of Venice, the Irving Tabor Court Green Alley project, created 15 years ago by the Bureau of Sanitation (LASAN), which has been neglected. It was named after the black chauffeur and close partner/friend of Abbot Kinney, the founder of Venice of America.

Our proposal is to: replace dead trees and understory plants with healthy local native plants, remove non-native plants, mulch entire area, create public education materials and group tours to teach about the benefits of local native species, reach out to the local schools and finally work with contracted landscaper to create a tree, shrub and ground cover maintenance plan.

Our volunteer group, the Venice Arbor Committee, working with the Venice Chamber of Commerce, will maintain the project on a monthly basis in the first year and quarterly after that at no cost.
