

VENICE STAKEHOLDER PETITION RE HOMELESS PERSONS ON FLOWER AVENUE

The undersigned are Venice Stakeholders and residents of Flower Avenue, Venice, CA 90291 or residents elsewhere in Venice who support the residents', property owners or employed elsewhere in Venice who are in support of the residents Petition. As authorized by Article VIII sec. 2 of the By Laws of the Venice Neighborhood Council ("VNC"), we Petition to place the following Motion upon the Agenda of the VNC's Board.

RECITALS

1. On and off for approximately 6 plus years before January 2023 homeless persons pitched tents and lived on both sides of Flower Avenue in the block west of Lincoln without the consent of anyone living on Flower.
2. They deposited trash on the sidewalks and street, played loud music and created loud noise at all hours, dealt drugs and provided prostitution from their tents, trespassed on private property facing Flower, harassed the people on Flower and burned down a house on Flower.
3. In January 2023 the owner of the commercial property on the corner of Lincoln and Flower rented and installed fencing on the parkway in front of his commercial property and vacant lots when the Department of Sanitation forced the campers to move for its periodic "comprehensive cleanup."
4. There were no homeless persons or tents on Flower Avenue between January and July 2023.
5. In June 2023 the fencing was removed when the owner did not renew the lease for the fencing. That month and continuing to the present homeless persons have installed shelter on the parkway and sidewalks in front of the commercial property west of Lincoln. RVs have also started to park on Lincoln between Flower Avenue and Flower Court. They will likely attract other homeless people who will overrun Flower.
6. The City has ample funds and resources to remedy this situation. In his 2023 State of the State address Governor Newsom said he would deliver 500 tiny homes to Los Angeles. As the Times reported on June 30, there is \$1.3 billion in the current City budget for homeless services starting July 1, and last month the Federal Government selected Los Angeles as one of the Cities to participate in "All Inside", a new, two year federal program targeting homelessness which will bring even more money to the City.

MOTION

The Venice Neighborhood Council requests the City forthwith to:

1. Pay for and reinstall fencing on the parkway and sidewalks on both sides of Flower from Lincoln to the western end of the UCLA property on the North side of Flower and from Lincoln to the western end of the commercial property on the South side of Lincoln.
2. Find housing and shelter to persons who had occupied Flower prior to the installation of the fencing.
3. Pursuant to LAMC 41.18(b) cite persons who continue to occupy Flower and who refuse offers of shelter.
4. Establish a special enforcement zone enforcing LAMC 41.18 on Flower Ave at Lincoln because of the ongoing safety issues OR establish a special enforcement zone 1000 ft. around 720 Rose Ave, The Rose Apartments of VCH and or 500 ft. around St. Joseph's Social Services (the Lincoln and Flower location) which is allowed per LAMC 41.18 Section C 3.
