I KATHLEEN WHITE (name) support the Venice V Hotel's entitlement requests to permit the sale and dispensing of a full-line of alcoholic beverages in conjunction with the re-establishment of the ground floor restaurant and basement theater at the historic hotel property (ZA-2020-1541-CUB-CU). I support the approval of the requested Conditional Use Permit & Coastal Development Permit for the proposed project so that the ground floor may come alive with a new restaurant along with the basement theater, bringing energy to the Venice beach front and serving locals and visitors alike. The proposed project to reactivate the historic ground floor and basement uses will help preserve and enhance the fabric of the historic building so it can serve generations of Venetians to come while creating positive activity along Ocean Front Walk in the heart of Venice.
