The Agenda shall be prepared by the Land Use & Planning Committee (LUPC) Chair or other LUPC member assigned by the committee and shall include an agenda item to decide the disposition of all new projects in the bi-weekly Certified Neighborhood Council (CNC) City Planning Early Notification Reports since the last LUPC meeting.

### II. Review of Projects

**Initiating Review.** The LUPC is responsible for reviewing applications for new projects listed in the CNC City Planning Early Notification Reports since the last LUPC meeting.

LUPC will determine if any projects need additional review and a public LUPC hearing by considering the project's conformance with the VCP (Venice Community Plan), which includes all of Venice, and the LCP (Venice Local Coastal Program Land Use Plan), which includes only the Coastal Zone of Venice. If there is not a consensus of the group on whether to waive the review of a given project or not, further review of the project will be put to a vote of the committee.

The Board can vote to approve the list or approve a modified list and send any one of the projects listed back to LUPC for review and a public hearing.

**Projects Needing Further Review:** Those projects selected for further review and hearing will be assigned by the Chair during the Committee's public meeting to a specific LUPC member who will work with the applicant and the neighbors to prepare a written

LUPC Staff Report. If there is opposition to the assignment of the LUPC member to a given project, the assignment will be put to a vote of the committee. Within one month's time, or as soon as practicable, each project assigned shall be reviewed at a LUPC meeting at which a written Staff Report is presented that includes the recommendation, project description, pros and cons, a summary of community input, and any findings as required by the VNC Bylaws.

The intent is to create a working framework of integrated strategies capable of achieving, over time, broader consensus and increased:

**Focus on Children**

Consider strategies that promote and expand opportunities for children to experience direct meaningful involvement in all aspects of the social and economic and cultural activities of the Venice Community. Include this focus on Children as an integral part of the consideration of strategies in all of the below Vision Goals.

**Participation:** Consider strategies that encourage & facilitate broader involvement of stakeholders, major organizations, community groups, and government institutions, etc.

**Walkability:** Consider strategies that reduce the use of cars and that promote alternatives such as walking, skateboarding, biking and bike racks, circulation systems (trolleys), park & ride rather than additional parking, street narrowing/sidewalk widening, walk/bike/skateboard lanes separated from traffic, easier neighborhood pedestrian access to commercial stores, etc.

**Diversity:** Consider strategies that encourage & facilitate realistic recommendations designed to increase economic diversity, including affordable housing, etc.

The plan is established to ensure efficient communications and decision making while maintaining the due diligence requirements imposed by our bylaws. Changes to the plan must be approved by the Outreach Officer.

The Producer will make sure that all VNC rules and procedures as well as any city ordinances governing Town Halls and Events are communicated to those planning Town Hall events. It is the producer's responsibility to periodically review Town Hall plans to ensure that the established rules, procedures and ordinances are followed. As such, it is suggested that the Producer be invited to all planning meetings.

Town Hall expenditures must be approved in advance by the Producer and invoices/receipts properly submitted to the VNC Treasurer. (Note: Under LA City finance rules, the VNC cannot reimburse any expenditure by non-Board members)
