Discussion Forum Committee Mission Statement

Provide a monthly forum for discussion of long-term matters affecting the Venice Community within the context of the VNC Vision Goals*

*The VNC Vision Goals were adopted unanimously by the Board on April 21, 2009 as Standing Rule 20 and amended unanimously by the Board on May 20, 2014 to insert the **Focus on Children Vision Goal**. For further information about the DFC, contact its chair Joe Murphy at 310-305-1444 or at joedmur@gmail.com.

To **stimulate the vitality** of the VNC, the Board and VNC Committees are encouraged to consider the below **VNC Vision Goals** in their deliberations.

Although the VNC is a political body, and inevitably it may become embroiled in issues that divide the community, these goals are designed to promote a more proactive, collaborative vision for VNC Committees to include in their deliberations as they formulate recommendations for Board consideration. The **intent** is to create a working framework of integrated strategies capable of achieving, over time, broader consensus and increased:

Focus on Children

Consider strategies that promote & expand opportunities for children to experience direct meaningful involvement in all aspects of the social and economic and cultural activities of the Venice Community. Include this **Focus on Children** as an integral part of the **consideration** of **strategies** in all of the below **Vision Goals**.

Participation

Consider strategies that encourage & facilitate broader involvement of stakeholders, major organizations, community groups, and government institutions, etc.

Walkability

Consider strategies that reduce the use of cars and that promote alternatives such as walking, skateboarding, biking & bike racks, circulation systems (trolleys), park & ride rather than additional parking, street-narrowing/sidewalk widening, walk/bike/skateboard lanes separated from traffic, easier neighborhood pedestrian access to commercial stores, etc.

Diversity

Consider strategies that encourage & facilitate realistic recommendations designed to increase economic diversity, including affordable housing, etc

Creativity

Consider strategies that promote the arts, encourage & facilitate creativity. This can apply to architecture, public art, social events (neighborhood gatherings/street movies/theatre/dance/pottery/...), etc.

Collaboration

Consider strategies that encourage & facilitate 'level playing fields' for collaborative negotiation; opt for procedures & policies that 'promote flexibility & dialogue' over 'reacting defensively to rigid criteria', facilitation/mediation training, etc.

Brainstorming

Consider strategies that encourage & facilitate exploring of non-traditional options for achieving shared objectives, etc.
