6. **Item for Discussion and Possible Action: Website Re-design and Reconfiguration** - Webcorner is launching a new platform for all participating NCs that will improve and modernize the VNC website.
They haven't gone live with it yet but are closest to launching the new platform for both the Mar Vista and Tarzana NCs.
 - a. **Presentation by WebCorner on the new redesign - 15 minutes. Committee members to ask questions of presenter.**
 - b. **Motion:** The Outreach Committee recommends that the Board adapts the new website platform for NCs and approves the \$2500 fee to WebCorner for a new VNC website platform based on a beta demonstration with Webcorner. Not only does it increase the website's functionality and visibility, but will also give us the ability to be much more autonomous with our own site. This new website platform addresses many of the issues our stake-holders have wanted the VNC to address in terms of functionality and user-friendliness.
7. **Item for Discussion and Possible Action: Venice Community Event** -
 - a. "A Night Under the Stars". Sub-committee to research options and cost.
 - b. "Beach Cleanup".
8. **Item for Discussion and Possible Action: Zoom Video tutorial** to guide stake-holders on how to use Zoom during VNC meetings.
9. Old Business: Virtual Coffee With a Cop (CWIC) - have reached to Pacific Division to see if we can get that started. Awaiting response.
10. New Business: **Outreach for bike registration** - requested both by LAPD and Bonin's office.
