PUBLIC COMMENT

PROPOSED MOTION:

Whereas, it is now clear that short-term rentals are illegal in Los Angeles' residential neighborhoods, and

Whereas the City Attorney has consistently refused to prosecute short-term rental violations in the City of Los Angeles, for a variety of reasons;

Now, therefore be it resolved, that the LUPC recommends that the VNC Board recommends and urges City Attorney Mike Feuer to enforce the law as required by the City Charter, and immediately prosecute short-term rental zoning

violations in the City of Los Angeles; and that if after 60 days of this notice, Mr. Feuer does not start enforcement, that the City Council take action to hire a private law firm to start enforcement procedures and reallocate the City Attorney's budget to pay for those services.

City Hearing Not Yet Scheduled

Project Description: Expansion of the facility's 2nd floor area, and the addition of parking spaces. While the zoning allows for an area of 91,998 sq ft, the 1996 project approval and CDP provide for a maximum of 85,000 sq ft. The facility was eventually built out to a little under 80,000 sq ft, though parking was included for the full 85,000 sq ft. Extra Space now proposes adding area that will reach the maximum allowed by right. Parking spaces will be added as required by the VCZSP. Because the area will exceed that allowed under the CDP, the CDP must be amended. No further action will be required as the facility will remain in compliance with all of the other conditions set forth in the CDP and project plans.
