Public Comment & Possible Action: Motion

9. Other

A. Proposed Motion on the newly identified Venice -- Mar Vista Arts District

- Whereas a major new Venice Blvd “Arts District” initiative involving both Venice and Mar Vista was unveiled at the recent July 10th Venice Community Plan and June 21st Mar Vista Community Plan update workshops at the tail end of the “share” period and had not previously been made available to the respective communities for consideration or comment;

Venice Neighborhood Council

LAND USE AND PLANNING COMMITTEE

PO Box 550, Venice, CA 90294 www.VeniceNC.org

Email: Chair-LUPC@VeniceNC.org

- Whereas neither the Venice Neighborhood Council nor the Mar Vista Community Council was included in the proposed new “Arts District “ designation, **in violation of the City Charter requirement for Neighborhood Councils to have the opportunity to provide input to City decisions impacting their neighborhoods;**
- Therefore, the Venice Neighborhood Council recommends that the “Arts District” designation for Venice Blvd be removed from any draft of the respective Community plans, and that the “Arts District” be brought to the respective communities via the Neighborhood Council process for proper consideration.

Public Comment & Possible Action: Motion

B. [Proposed Motion on CIS for Council File 14-1349-SI re. Enhanced Infrastructure Finance District https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=14-1349-S1](https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=14-1349-S1)

- Whereas on July 3, 2019, the Los Angeles City Council considered an Enhanced Infrastructure Finance District (EIFD) for the geographic region of Venice;
- Whereas the community of Venice as represented by the Venice Neighborhood Council (VNC) is concerned that the decision making body described within the proposed EIFD known as a Public Financing Authority (PFA) will be selected by City Officials and may not represent the constituents of the Venice Community;
- Whereas Venice is a unique Coastal Zone community that falls under the regulations of the California Coastal Act and has special development considerations that are not required in the non-coastal communities of Los Angeles;
- Whereas Venice has a Coastal Commission-certified Local Coastal Program Land Use Plan that describes community character, scale, and mass and how it relates to the community’s historic nature and requires preservation of its prior geographic designation as a City in California, “Venice of America”;
- Whereas public outreach on the EIFD policy, which impacts our community, has been inadequate and minimal information on the details, impacts, or implementation has been provided;
- Therefore the Venice Neighborhood Council recommends that a community impact statement (CIS) in opposition to the EIFD be submitted and that should an EIFD proceed it shall be restricted to not fund projects that will alter the original land use designations of the 1904 Abbott Kinney Company development projects.
