The City Council’s motion states, in part:

...at The United States Conference of Mayors, Los Angeles signed a resolution urging support for making cities more shareable by:

- (1) encouraging a better understanding of the Sharing Economy and its benefits to both the public and private sectors by creating more robust and standardized methods for measuring its impacts in cities;
- (2) creating local task forces to review and address regulations that may hinder participants in the Sharing Economy and proposing revisions that ensure public protection as well; and
- (3) playing an active role in making appropriate publicly owned assets available for maximum utilization by the general public through proven sharing mechanisms.

The City of Las Angeles needs a comprehensive study of the sharing economy. The study should examine the economic impacts of industries where consumers connect with other consumers to exchange value directly. It should extensively review our existing regulations and determine whether there is a benefit to modernizing our regulations so that they are suitable for the sharing economy. The study should also explore the feasibility of expanding its sharing infrastructure, promoting existing sharing enterprises, incubating sharing economy startups, utilizing idle public resources and what are

the advantages in doing so.

The Venice Neighborhood Council's Neighborhood Committee has had extensive discussions regarding one aspect of the sharing economy, short term vacation rentals. The Committee submitted a report to the VNC Board on the subject that can be found at: <http://www.venicenc.org/wp-content/uploads/2012/09/Short-Term-Vacation-Rental-Report.pdf>. Given that Councilmember Bonin has brought the motion identified above asking for a "comprehensive study of the sharing economy" the Venice Neighborhood Council hereby submits the report of its Neighborhood Committee to be part of that study.

The motion, if passed, should be sent to the City Clerk as a CIS and to Councilmembers Bonin and Wesson

**G Support for National Night Out ( \_\_ minutes) (Stewart Oscars, [stewart.oscars@gmail.com](mailto:stewart.oscars@gmail.com))**

National Night Out (NNO) is an annual Nationwide Block Party that joins Local Police Divisions and the area's Citizens in an event that focuses on safety. This partnership of police and community fosters getting to know each other along with sharing information and experiences in an atmosphere of Barbeques, games, family fun, and instructional presentations.

NNO is held the first Tuesday in August and in our area is organized by the Community Police Advisory Board membership (CPAB) and the Officers of Los Angeles Pacific Division (LAPD).

This year's NNO is August 5 at Mar Vista Recreation Center. In previous years it has been held at Penmar Park, Westchester Park, and Mar Vista Gardens. I have emailed a copy of this year's Event Flyer to the VNC Administration Committee.

Given that Venice is part of this Community and that people from Venice are invited and will be attending and that holding such a Community event costs money, I move that the Venice Neighborhood Council please earmark \$200.00 to help defray the costs of food, equipment rental, and necessary miscellaneous needs.
