

At its June 3, 2019 regular monthly meeting, the **DFC Focus on Children Committee** adopted the following request which was submitted to the VNC Administrative Committee for consideration at its June 10, 2019 meeting and placement on the VNC Board's June 18, 2019 meeting:

***Request VNC Board schedule time for Paul Davis to provide the first of the promised periodic updates of the progress of his DFC sub-committee in creating the Youth Internship Program endorsed by the VNC Board at its March 19, 2019 meeting.***

If possible, it would be appreciated if no more than 5 minutes could be provided for this purpose at the VNC Board's August 20, 2019 meeting under Scheduled Announcements and Presentations.

Thanks much.
