LUPC Staff: Gabriel Ruspini

Recommended by LUPC on 10-5-15: 3-2-1 (GR/MK)

MOTION: The VNC Board recommends denial of the project as presented, for the following reasons:

1. The project is on a Walk Street, on the south side of the 900 block, with a predominance of original, small, 1-story buildings.
2. The proposed project is a 2-story single-family dwelling that is significantly larger than the existing structure on the site, a 1-story craftsman style bungalow circa 1921, and significantly larger than the other structures in the surrounding existing neighborhood, and as such does not meet the standards required such that Findings can be made as per Section 8. C. 1. of the Venice Coastal Zone Specific Plan, which requires: "That the Venice Coastal Development Project is compatible in scale and character with the existing neighborhood, and that the Venice Coastal Development Project would not be materially detrimental to adjoining lots or the immediate neighborhood."

- F** **Request for Change in the City Attorney’s Position on CUB Conditions, (20 minutes)** Sarah Blanche, Public Strategies
Recommended by LUPC on 10-5-15: 6-0-0 (RR/KR)
MOTION: Whereas: The City Attorney’s Office has taken a position that the City of Los Angeles does not have the authority to regulate (e.g. is preempted from regulating) retailers’ alcohol sales and distribution practices, and
Whereas: An examination of legal precedent implies that the City Attorney’s position overstates the breadth of the State’s alcohol licensing authority, ignores recent case law, and disregards the practices of multiple other California jurisdictions, and
Whereas: Substantial legal precedent exists, establishing local jurisdictions’ ability to impose conditions restricting or impacting the sale, use or distribution of alcohol *if* the conditions are reasonably tailored to address legitimate zoning/land use impacts, and
Whereas: The City Attorney’s position significantly undermines local communities’ ability to prevent and abate public nuisances associated with the sale of alcohol by restricting the placement of conditions on, among other examples, hours of sale of alcohol, happy hours (rules and regulations), container sizes, and types of alcohol sold.
Therefore, Be It Resolved, the VNC Board recommends that Councilmember Bonin advocate for the City Attorney’s Office to change its position regarding preemption and the City’s authority to regulate, i.e. condition and enforce, alcohol sales and distribution practices, to reflect that:
1. The City of Los Angeles is *not* preempted and therefore does have the authority to regulate retailers’ alcohol sales and distribution practices.

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org

Email: info@VeniceNC.org Phone: 310-421-8627

2. Nuisance activities can be directly related to alcohol sales, thus establishing a clear nexus between local police/zoning powers and alcohol sales and thereby rendering admissible the placement on CUB permits of conditions restricting or impacting the sale of alcohol.

3. All City Personnel should allow conditions on CUB permits that regulate, i.e. condition and enforce, retailers' sales and distribution of alcohol.
