[All agenda items on the Consent Calendar will pass when the Consent Calendar is approved. No discussion or Public Comment is allowed on any item. A Oppose AB 744 Limiting Local Govt. Auth. Over Parking for SB 1818 Density Bonus Projects
(Marc Saltzberg, on behalf of WRAC) (vicepresident@venicenc.org) **[EXHIBIT]**

MOTION: The Venice Neighborhood Council recommends that the City Of Los Angeles oppose AB 744 which limits local government authority over parking for SB 1818 Density Bonus Projects and requests Councilmembers Mike Bonin and Paul Koretz to introduce a resolution to that effect.

AB 744 would prohibit, at the request of the developer, imposition of a vehicular parking ratio in excess of 0.5 spaces per bedroom on a development receiving density bonuses under SB 1818 that includes the maximum percentage of low- and very low income units, and is located within one-half mile of a major transit stop, and there is unobstructed access to the transit stop from the development. The bill would also prohibit, at the request of the developer, imposition of a vehicular parking ratio in excess of specified amounts per unit on a development that consists solely of units with an affordable housing cost to lower income households, as specified, if the development is within one-half mile of a major transit stop and there is unobstructed access to the transit stop from the development, is a for-rent housing development for individuals that are 62 years of age or older, or is a special needs housing development, as those terms are defined.

B Oppose AB 1373 Outdoor Advertising: the City of Los Angeles (Marc Saltzberg, on behalf of WRAC) (vicepresident@venicenc.org)

MOTION: The Venice Neighborhood Council recommends that the City of Los Angeles oppose AB 1373 (Outdoor Advertising, the City of Los Angeles, Exempting 40 Square Blocks of Downtown LA From the CA Outdoor Advertising Act) and requests that Councilmembers Mike Bonin and Paul Koretz introduce a resolution to that effect.

The Outdoor Advertising Sign Act provides for the regulation by the Department of Transportation of advertising displays, as defined, within the view of public highways. The act exempts from certain of its provisions advertising displays that advertise the business conducted or services rendered or goods produced or sold in the property upon which the display is placed as specified. This bill would exempt from those provisions of the act advertising displays located in a specific geographic area in the City of Los Angeles if those displays meet specified conditions and requirements, including the adoption of, and compliance with, an ordinance by the City of Los Angeles. The bill would impose certain conditions if the advertising display authorized by this bill is a message center display... The bill would make the City of Los Angeles primarily responsible for ensuring that display remains in compliance with the city ordinance and the bills requirements, and would require the city to indemnify and hold the department harmless if the city fails to do so. This bill would also make findings and declarations as to the need for a special statutes relating to the City of Los Angeles.

C **CIS in Support of CF14-0268-S5, Ellis Act Controls** (Marc Saltzberg)(vicepresident@venicenc.org)

MOTION: The Venice Neighborhood Council hereby files the following Community Impact Statement in support of [CF14-0268-S5](#) which calls for:

... the City Council [to] instruct the Housing and Community Investment Department (HCID), in conjunction with the Department of Building and Safety (LADBS), and the Planning Department develop a process to require a clearance from HCID for building permits for major construction, alteration, and addition to, or demolition of properties subject to the Rent Stabilization Ordinance... [and] that the HCID, in conjunction with the LADBS and Planning Department, be instructed to report on the inventory of RSO units removed through the Ellis process, and additional recommendations to strengthen enforcement, maximize preservation of the rent-stabilized housing stock, and eliminate any other "loopholes" that result in the loss of rent-stabilized units or denial of tenant protections under the Ellis provisions of the RSO.

According to a [2014 UCLA study](#) "Los Angeles is now the least affordable rental market in the country, based on the portion of a renters' income that goes to pay rent.". More recently, stories about the use (and abuse) of the [Ellis Act to evict tenants from RSO units](#) have emerged.

The problem and short term response comes into greater focus with this motion from Cedillo (seconded by Bonin) and [endorsed by Mayor Garcetti](#). The VNC believes it is imperative that Los Angeles not lose additional rental housing stock thru overly-aggressive and sometimes illegal exercise of the Ellis Act and therefore support CF14-0268-S5

G Storage or Disablement of Firearms (Marc Saltzberg)

MOTION: The Venice Neighborhood shall submit a Community Impact Statement in support of City Council File [14-1553](#), instructing the City Attorney to prepare an ordinance requiring gun owners to either store their firearms in a locked container or disable it with a trigger lock when not in use, modeled after the City of San Francisco's ordinance.
