Items may be removed by any board member or stakeholder. Removed items will go to the end of the agenda and be treated as regular agenda items with discussion and public comment.]

A **Support of legislation on Short Term Rentals** (Ivan Spiegel on behalf of LAANC)
(Parliamentarian@VeniceNC.org)

MOTION: The Venice Neighborhood Council shall send a Community Impact Statement supporting CF14-1635 S2 which proposes to eliminate or structure short-term rentals through public hearings and the Neighborhood Council system. This process would allow a properly drafted and enforceable citywide ordinance. The VNC also supports that all Hosts not only capture the Transient Occupancy Tax (TOT), but also the City's Department of Finance coordinate an effort to track BTRCs to the TOT. Letters to the LA City Council be sent in addition to the filing of a CIS.

B **Prioritize Funding for DONE Staffing Before Online Voting** (Ivan Spiegel on behalf of LAANC
Parliamentarian@VeniceNC.org)

MOTION: Whereas the Department Of Neighborhood Empowerment (DONE) is losing employees monthly, and
Whereas Neighborhood Councils are under-trained and under-supported by DONE, and
Whereas the Mayor did not fund online elections, and
Whereas the City Council did not fund elections or fully fund the additional DONE staff positions needed for the department to fulfill its Charter mandated work,
Therefore be it resolved that The Venice Neighborhood Council moves to strongly demand that the City Council immediately both fully fund the six staff positions allocated and fully fund the online voting for elections.
The Venice Neighborhood Council further moves to demand that the DONE General Manager immediately fill all staff positions allocated with the savings held by the department, and find

additional sources of revenue to implement the online voting program for the FY 2015-2016. A letter shall be sent to the Mayor, City Councilmembers, the DONE GM, and a CIS shall be filed for CF 15-0600

C Pico Youth & Family Center Funding Mike Bravo (mike.bravo@venicenc.org)

MOTION: Whereas Santa Monica's Pico Neighborhood is home to three gangs whose members have had a long standing feud with youth from Venice and other youth throughout the Westside and Whereas the violence that has emanated from these conflicts has permanently damaged youth and families and

Whereas funding programs like the PYFC (www.picoyouth.org) that have been proven to successfully curtail gang membership and gang violence are a benefit to the public safety of all Westside residents and

Whereas for the past 13 years the PYFC has been effective in decreasing gang membership and also has increased the college-going rate of low income youth and

Whereas the City of Santa Monica City Council will vote on their annual budget on June 23rd, 2015, and

Whereas the Pico Neighborhood Association has asked for support of a resolution asking that the City continue to fund the PYFC which was born as a response to gang violence in 1998

Therefore be it resolved that the Venice Neighborhood Council supports effective gang prevention programs like the PYFC and respectfully calls on Councilman Mike Bonin to write a letter of support urging the City of Santa Monica (Mayor and City Council) to keep the Center open by funding 40% of the PYFC's budget (\$190,000) as being requested by the Pico Neighborhood Residents Association.

D Revisions to DBS Appeals Process (Marc Saltzberg on behalf of WRAC) (vicepresident@vencienc.org)

MOTION: Whereas the current 2-step Dept. of Building and Safety appeals process is long, onerous and expensive for regular citizens. The first DBS administrative review takes 6 weeks and costs \$470. An appeal of that DBS determination requires public notification (\$20 for adjacent addresses from Assessor, \$165 for labels and sign postings) and a new case submittal (\$700). The total fee for a regular citizen to appeal DBS permits comes to \$1,400. (Planning appeals cost \$200, which is \$1,200 less) and

Whereas an appeal is not a new proposed development project; it is an appeal of an already filed development project and should be treated as such and

Whereas new and time consuming requirements such as CEQA filings are unnecessary as the appeal rests on the originally filed case.

Therefore be it resolved that the Venice Neighborhood Council recommends that the City of Los Angeles revise the appeals process for Building Permits. Appeals of Dept. of Building and Safety determinations should use the same simple process as appeals of Planning Dept. and Planning

Email: info@VeniceNC.org Phone: 310-421-8627

Commission determinations and with similar fees. DBS "appeals" should not be treated as a new case with public notification and CEQA requirements.

8. **Land Use and Planning Committee (LUPC) Consent Calendar (7:56 PM -- 1 minute)**
[All agenda items on the Land Use and Planning Committee (LUPC) Consent Calendar will pass when the LUPC Consent Calendar is approved. No discussion or Public Comment is allowed on any item. Items may be removed by any Board member or Stakeholder. Removed items will go to the end of agenda item 11. Land Use and Planning Committee and will be treated as regular LUPC agenda items, with discussion and public comment.]
- A **VNC De Minimis Projects**
MOTION: The VNC Board recommends approval of the following project as a "De Minimis Project":

Applicant: Robert Thibodeau
LUPC Staff: Robin Rudisill
RECOMMENDED BY LUPC on 6/2/15 by a vote of 7-0-0.
9. **Announcements & Public Comment on items not on the Agenda (7:57PM -- 10 minutes)**
[No more than 1 minute per person – no Board member announcements permitted]
10. **Old Business (8:10PM -- 25 minutes)**
[Discussion and possible action]
- A **Support for Assembly passage of SB 277 (15 minutes)** (Marc Saltzberg, VicePresident@venicenc.org)
MOTION: The Venice Neighborhood Council urges the Los Angeles City Council to include in its 2015-16 State Legislative Program a position in favor of SB 277, removing the ability for parents to file a personal belief exemption from the requirement that children receive vaccines for specific communicable diseases prior to being admitted to any private or public elementary or secondary school, child care center, day nursery, nursery school, family day care home, or development center.

CITY HEARING TOOK PLACE ON APRIL 23, 2015, City Determination is being held open by ZA Lourdes Green for VNC advisement;

Project Description: CDP & SPP (VCZSP compliance permit) for change of use from existing 2,696 sq ft restaurant & market/deli to a 2,306 sq ft restaurant with a new 410 sq ft outdoor covered patio dining area, with increase in seating from 38 interior seats to 59 interior seats & 34 outdoor patio seats, on a 6,294 sq ft lot, with 18 on-site parking spaces, comprised of 11 spaces existing, 4 spaces grandfathered, & 4 spaces met by adding 16 bicycle stalls; and CUB for sale & dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with a new restaurant providing a total of 93 seats, with hours of operation of 8 am to 12 am daily.

Applicant: Bruce Horowitz

LUPC Staff: Maury Ruano

MOTION: The VNC Board recommends denial of the project as presented, on grounds that

- there is an overconcentration of alcohol licenses in the census tract,
- that patio dining would be disruptive to the surrounding residents,
- that the proposed time of closing is too late on the weekdays,
- that there has been insufficient information provided to demonstrate that the operation would not interfere with the quiet enjoyment of the residences within 100 feet of the project,
- that there would be an unacceptable adverse impact to the surrounding neighborhood, which is already overburdened with not enough available parking for the surrounding uses, due to the use of “grandfathered parking” to meet the parking requirements for the project.

CITY HEARING TOOK PLACE ON JUNE 1, 2015

Project Description: Converting an existing 762 sq ft 1-story retail space with 4 existing (and possibly non-required) parking spaces, into a 1,454 sq ft restaurant with a beer and wine conditional use (CUB). The proposed restaurant would remove all of the existing parking spaces and convert the area to patio dining, with a total Service Floor Area of 559 sq ft (375 sq ft indoors and 184 sq ft outdoors). An addition of 458 sq ft is also proposed, as well as a request to allow the trash enclosure to be kept at the front of the property along the sidewalk on Washington Blvd, instead of at the back of the property as required. The proposed restaurant will provide no parking. The proposed hours of operation are 10 am to 10 pm, 7 days a week.

Applicant: Bruno Bondanelli, Ayhan Sahbal & Representative Sheryl Brady, Permit Place
LUPC Staff: Robert Aronson

MOTION: The VNC Board recommends denial of the project as presented, because

- it is not a change of use as defined in Section 5.F of the VCZSP and therefore In Lieu Parking Fees are not allowed to be paid,
- the hours of operation extend too late for an alcohol use adjacent to residences,
- the project is extremely close to residences without sufficient mitigation measures,
- there is an overconcentration of alcohol licenses in the census tract.
