12E Redirect Homeless Funds

Whereas, the City of Los Angeles is in the midst of a humanitarian homeless crisis on the level of the conditions following a massive earthquake or hurricane, and

Whereas, the process and cost of building traditional "tax credit" model housing units, with 40% soft costs (consultant and development fees, architecture, and financing) and multi-year preparation time, has resulted as of January 2020 in the construction of only 46 units, and

Whereas, Proposition HHH is now expected to net – instead of the promised 10,000 units - only 5,873 supportive units and 1,767 affordable units at a cost of \$531,000 to \$700,000 per bed, leaving at the completion of construction in four years roughly 20,000 unsheltered homeless still on the street, and

Whereas, according to the office of Los Angeles County Supervisor Mark Ridley-Thomas, in Los Angeles County, currently 133 homeless people are housed each day while 150 people fall into homelessness each day, resulting in the increase in the number homeless by 17 people per day, or 6,205 additional people per year, suggesting that the projection above of 20,000 unsheltered people four years from now is unrealistically low, if the housing programs now in place are not dramatically altered, and

Whereas Los Angeles Homeless Services Authority (LAHSA) has no performance targets and LAHSA's placement process for individual housing is cumbersome and time consuming, and

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org

Email: info@VeniceNC.org / Phone or Fax: 310.606.2015

Whereas, crucial wrap-around services that help the most chronic and struggling homeless persons succeed in individual housing are most efficiently and cost-effectively provided in group situations and that group/shared housing provide crucial peer support, and

Whereas, other jurisdictions have proven the cost-effectiveness, suitability and quick availability of several other housing models, now,

Therefore, be it resolved, that the Venice Neighborhood Council calls upon the City of Los Angeles to immediately direct 75% of any and all funds (city, state and federal) available for homeless shelter and housing, exclusive of services, to the following proven less-costly models, towards the objective of housing all unsheltered homeless persons in two years: 1. Large membrane tents capable of housing 100 people that may be constructed in a few months (cost: \$10,000 per bed), e.g., the Union Rescue Mission just erected one at that price. 2. Large military-grade inflatable tents (cost: \$6,000 per bed). 3. Pallet shelters (cost: \$2,000 per bed). 4. Tent "Kits" capable of housing a family of four, with furniture, refrigerator, heater and electrical generator (Cost: \$500 per bed, \$2,000 per kit). 5. SHARE Collaborative Housing, two persons per bedroom in existing single-family homes and multi-family buildings (Cost: \$500 to \$700 monthly rent self-financed by each individual's SSI, General Relief and other benefits; \$8,000 cost per annum per person for management, counseling and other social services). And further, be it resolved, that no such projects shall be installed or constructed within 200 feet of a residence, child care center, school, or park, except for SHARE Collaborative Housing and similar housing programs, which utilize living units already located in existing residential communities. When adopted, this Motion shall be submitted as a Community Impact Statement and attached to Council File 17-0090-S14

Recommended by the Homeless Committee 4- 1-1 on 6/11/20

12F Rename The Homeless Committee (Lisa Redmond, lisaredmond@gmail.com)

MOTION: Whereas, the word "homeless" comes with an armful of derogatory connotations, negative stereotypes, assumptions, and accusations, and Whereas, homelessness is a complicated subject and labeling someone as "homeless" can hurt more than it helps the situation, and Whereas, the use of the term "Unhoused" instead has a profound personal impact upon those in insecure housing situations, and implies that there is a moral and social assumption that everyone should be housed in the first place, and Whereas, as a society we no longer label someone as "crippled" or "blind," but instead use terms such as "person with a disability" and "person who is visually impaired," so it applies that Unhoused individuals are not homeless but "people experiencing homelessness," and Whereas, by describing someone as "experiencing homelessness" rather than simply "homeless," you are describing something a person is going through rather than defining them by it, and Whereas, the Unhoused are a protected class of people, and Whereas, the Venice Neighborhood Council would never have a supported committee for other protected classes such as Black Committee" or "Mexican Committee," and Whereas, the words we use to describe people powerfully affect our attitudes and assumptions about them, and Whereas, the social issue is homelessness and not the individual at fault, now,

Therefore, be it resolved, that the Venice Neighborhood Council immediately changes the name of its "Homeless Committee" to the "Homelessness Committee."
