4. PUBLIC COMMENT – non-agenda items related to Rules and Selections Committee only

Old Business: (carried over from prior meetings)

5. Request for Ballots to all registered Voters for VNC elections (Nick Antonicello)

a. Item for discussion and possible action: That the current voting qualifications fail to take into consideration the fact the LA City Clerk already has in possession all of the duly registered voters in the neighborhood of Venice and that this voter file serve as the primary stakeholder list for voting. And that all non-registered voters such as property owners, employees and such apply for a ballot and be vetted by the LA City Clerk's Office. To ask registered voters to apply for a ballot is a text book example of voter suppression when asking for information the Clerk already possesses. That the board endorse this voter policy change and make these voter qualifications before the 2023 VNC election.

b. Public Comment:

c. Committee Discussion:

d. Motion: to have the City of Los Angeles, beginning with the 2023 Neighborhood Council elections, change the City’s voting procedures so that all registered voters will be mailed a ballot automatically, all registered voters will be able to vote by mail or in person at an approved polling station during the in-person voting processes currently in place, and that all non-registered voting stakeholders continue to adhere to the process of qualification and approval by the LA City Clerk’s Office.

6. Direct Appointment by VNC President Require Advice and Consent of the Full Board (Nick Antonicello)

a. Item for discussion and possible action: That all “direct” appointments by the President of the Venice Neighborhood Council require an advice and consent roll call vote of said appointment and that such appointee be required a majority vote of the council. Furthermore, that all direct appointments by the President must require a "statement of candidacy" by the nominees along with any resume or other information that will assist the full board in making an informed decision.

b. Public Comment:

c. Committee Discussion:

d. Motion: to amend the VNC by-laws to require that all positions currently filled at the discretion of the President be filled by a majority vote of the VNC Board after candidates submit a “statement of candidacy” by the nominee(s) along with any resume or other information that will assist the full board in making an informed decision.

7. Identification of stakeholders/speakers during public comment or participation (Nick Antonicello)

a. Item for discussion and possible action: Identification of stakeholders/speakers during public comment.

b. Public Comment

c. Committee Discussion

d. Motion: WHEREAS, the current identification of a speaker during VNC meetings and their corresponding committees is non-existent;

WHEREAS, valuable time and energy is wasted due to the lack of identification in which many cases the comment is off topic and for the most part, irrelevant; and

WHEREAS, speakers have an obligation to identify who they are for the record and if they have standing as a stakeholder.

THEREFORE BE IT RESOLVED, that the Venice Neighborhood Council require that all speakers and stakeholders address the board or committee with a first and last name as well as an address as part of the public record.

NEW BUSINESS

8. Establishment of the Public Safety Committee of the Venice Neighborhood Council (Nick Antonicello)

a. Item for discussion and possible action: Establishment of the Public Safety Committee.

b. Public Comment

c. Committee Discussion

d. Motion: WHEREAS, that the Public Safety Committee is an important component of the issues Venetians really want to discuss, THEREFORE, that the Public Safety Committee be elevated to the status as a standing committee of the Venice Neighborhood Council.

9. Election of Parliamentarian (Nick Antoniceelo)

a. Item for discussion and possible action: Discussion regarding elected vs. appointed Parliamentarian

b. Public Comment

c. Committee Discussion

d. Motion: WHEREAS, the position of “member parliamentarian” of the Venice Neighborhood Council is a direct appointment by the President, and WHEREAS, the current appointment process lacks any accountability, transparency or process as the full board has no input, and WHEREAS, even as a direct appointment the process fails to offer the full board a resume, interview or vetting process, and WHEREAS, the “member parliamentarian” works for the entire board and not just the President, and to ensure an independent and unbiased parliamentarian that the position be elected and not appointed,

WHEREAS, the BY LAWS under Article 12 calls for an “unbiased” Parliamentarian but the process fails to address that reality, THEREFORE BE IT RESOLVED, that the position of Parliamentarian become a directly elected position voted upon by Venice stakeholders in the June 2023 election.
