29 MOTION TO ADDRESS COMMERCIAL CORRIDOR AND SPOT ZONING REALIGNMENT

Description:

This is a motion requesting support to undo spot zoning in 1989 that negatively impacted property owners on Rose Ave and Ocean Front Walk by downzoning properties from commercial to residential, which was done with minimal notice to property holders. On May 9, 2015, the VNC's Land Use and Planning Committee

previously voted in support of Item 9, entitled "Commercial Corridor and Spot Zoning Realignment," which is substantively the same as the motion in the instant petition (hereinafter, the "Motion"). On May 21, 2019, the VNC Board continued the Motion, and, on August 20, 2019, removed it from the agenda, with instructions that the Motion be returned to the Land Use and Planning Committee. Since then, the Land Use and Planning Committee has not reheard the Motion.

Stakeholder:Jason Tong **Dated:**2021-12-21

MOTION:

WHEREAS, commercial corridors in Venice have over many decades been subject to "spot zoning" and/or otherwise have been rezoned without adequate notice and outreach to the property owners and stakeholders. WHEREAS, the Venice Land Use Plan Policy I. B. 2. states: "The design of mixed-use development is intended to help mitigate the impact of the traffic generated by the development on coastal access roads and reduce parking demand by reducing the need for automobile use by residents and encouraging pedestrian activity." WHEREAS, the City Planning Department and Coastal Commission are in the process of updating the LCP and Venice Community Plan. THEREFORE, the VNC shall recommend to the City Planning Department and the California Coastal Commission that Properties per the list below along commercial corridors in Venice be rezoned to Commercial Use as part of the LCP and Community Plan update in order to: 1) create consistency with the adjacent and neighboring properties; 2) to remedy the past spot zoning of certain commercial corridors of Venice; and 3) that the rezoned properties be in compliance with all land use requirements set forth in the applicable Los Angeles zoning code, including, but not limited to, any uses which may require a conditional use permit. Properties to be included in the rezoning back to commercial use: i) 100 Venice Way ii) 401-507, 1901-2015 Ocean Front Walk iii) 305-373 Rose Ave
