

Hello Venetians and Neighboring Communities:

Your Venice Council Resiliency Committee is announcing our first Ready Your Los Angeles Neighborhood training! This **FREE** online experience will equip you to organize yourself, your family, and your neighbors to be ready to survive and thrive in an emergency situation.

You will be provided with the tools to map and organize your neighborhood to respond together in that first hour after a disaster -- to reduce injuries, protect your property and the environment, and most importantly, to save lives.

Ready Your Los Angeles Neighborhood (RYLAN) Training

Date: Saturday, March 26th

Time: 1:00 - 3:00 pm

Zoom Link: <https://us02web.zoom.us/j/84218853143>

We are thrilled that this training will be presented by Crisanta Gonzalez, MPA, from the Planning & Community Preparedness and Engagement Divisions of the L.A. Emergency Management Department.

This training is the next step in our 2022 neighborhood team building program and will be followed by more exercises to culminate in an in-person emergency drill later this year.

If you have questions, please contact VCRC Chair Keith Harrison at keith.harrison@venicenc.org or Anneke Campbell at Annekeh@gmail.com.

Hope to see you there!
