14 Annual Grease Screening at Venice High School

Description:

Stakeholder: Lorena Alvarado **Dated:** 2022-08-02

Since 2011, we've held a Grease movie screening at Venice High to help bring the community together for a fun night while helping the students of VHS raise funds for their clubs & organizations. This grant will help off set the cost of this event: permits, insurance, maintenance, rental equipment, etc. We feel this is a much needed community affair after a 2 year hiatus because of COVID.

20 CIS Council File 18-0510-S2, Renewal of Lease on Bridge Housing

Description:

Committee: Homelessness Committee **On:** 2022-06-28 **Vote:** 4-1-0

Community Impact Statement Council File 18-0510-S2 City renewal of lease on Bridge Housing. The VNC submits this CIS objecting to the renewal of the City's lease to Bridge Housing.

Community Impact Statement Council File 18-0510-S2

Whereas: The community was told the facility would be temporary, and few of the promises made by the City to area residents were fulfilled. The City promised it would be designed to fit Venice, that residents of ABH would be good neighbors, nearby areas would be cleaned up, and there would be extra LAPD protection.

These promises still appear on the 11th Council District's website, see link below

None of these promises took place.

Area sidewalks still contain encampments, public landscaping ruined, sidewalk sanitation often lacking and a special LAPD patrol was defunded.

Chain link fencing is not fitting for a residential neighborhood. Zero beautification was made. Zero sound proofing was made.

Holes are often cut in the fencing at the Southern end of the site for exit and entry without using the security gate.

There are instances of residents of bridge housing also maintaining tents and encampments on nearby streets and there is no containment of these dual residences.

Comprehensive clean ups have stopped on Hampton near the facility. Encampments still exist in what was designated as the SecZ area.

There was no opportunity given for area residents to discuss rules that might be needed for the site beyond the initial meetings held prior to the opening.

We do not believe the facility has met its commitments to 'protect neighbors from any nuisance' nor have the promised number of housing placements taken place.

The blame cannot be put on the pandemic. The facility has not met its goal of integrating into the surrounding community. In fact, the adjacent walk streets and other areas became magnets for ABH residents' recreation.

The facility is a disaster for the area attracting drug dealers, unhoused who are not in the ABH program, and friends of the ABH residents who 'hang' in the neighborhood.
