I had the pleasure of meeting with John yesterday to look at possible options for Triangle Park. I later updated them per the below visuals.

Also, I suggest including the existing dog park in the list as a new community center as well.....I have drawings.

John

Yesterday, I met with Mehrnoosh to go over her initial ideas for Triangle Park which she later updated per the below visuals.

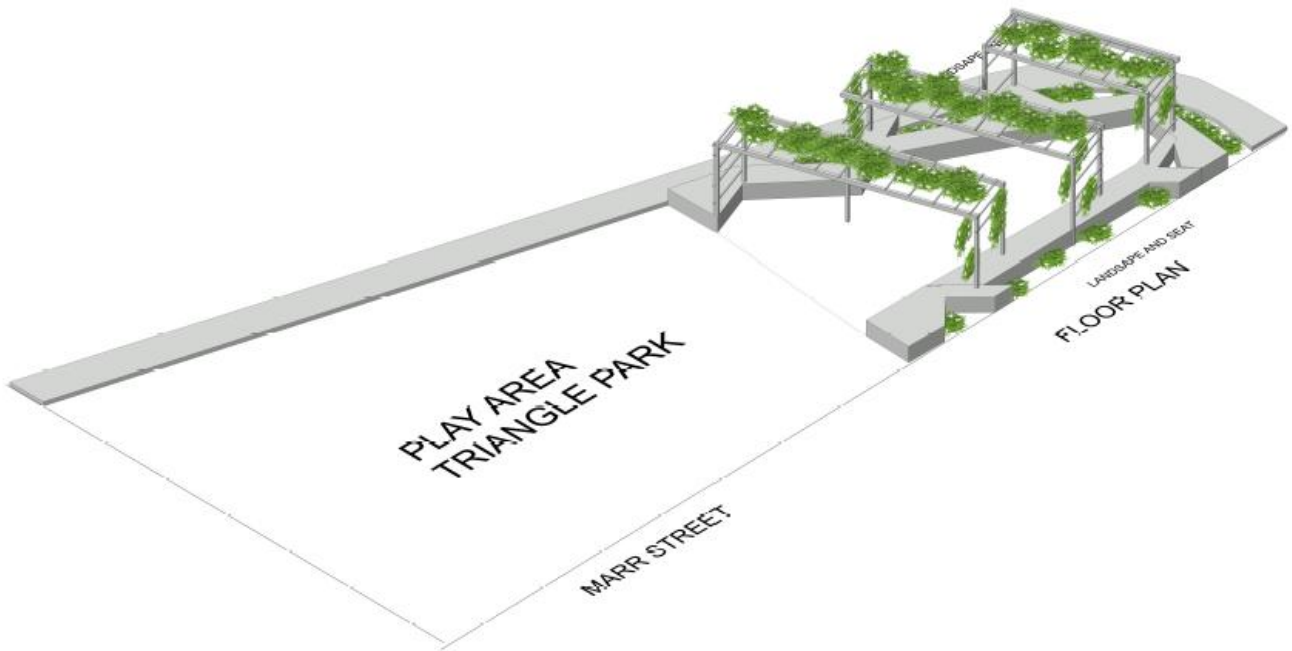

In general, I would ask you to carefully consider our design ideas.

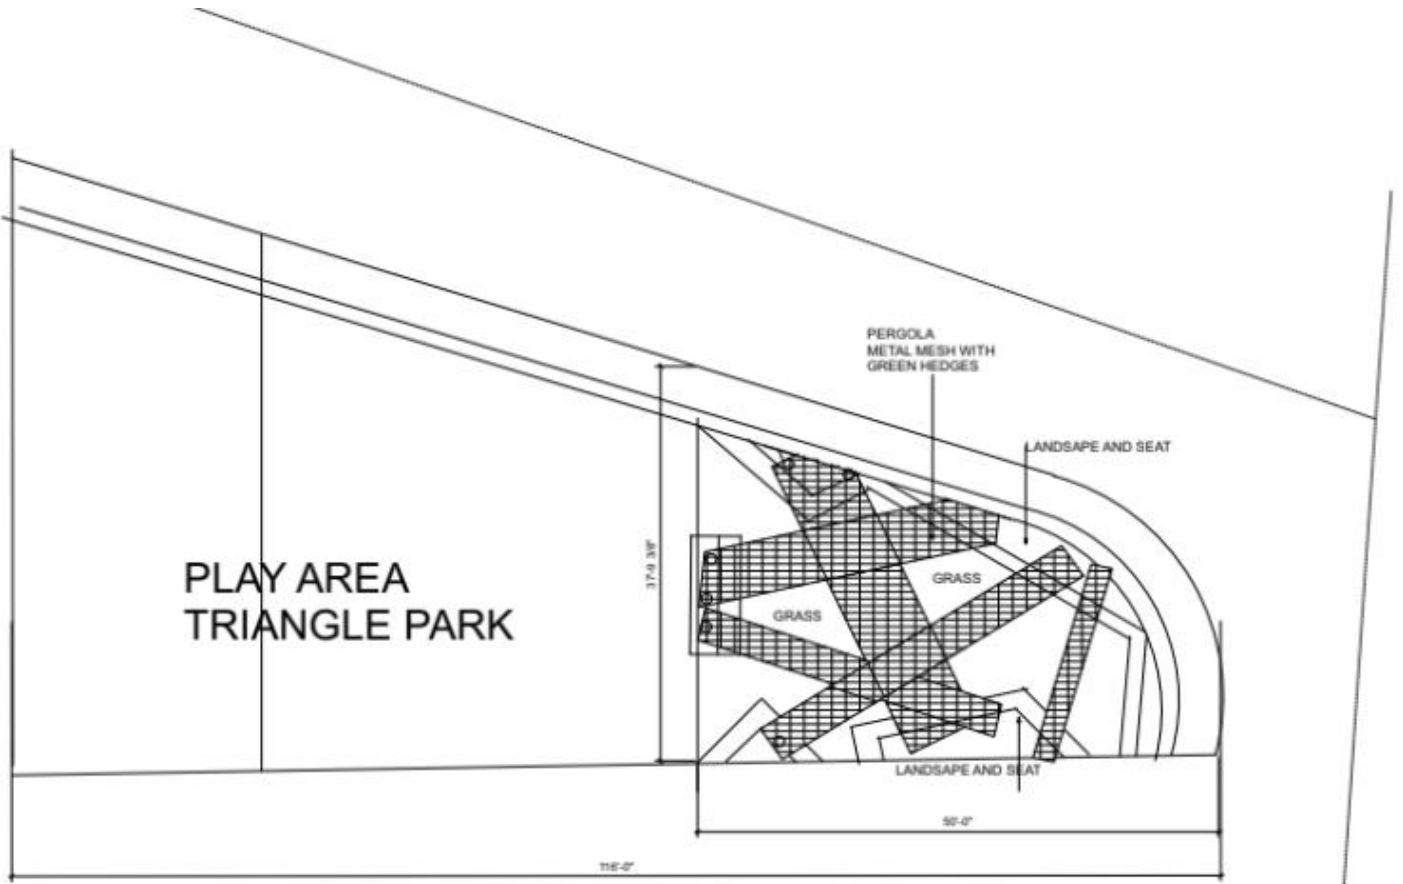

Mehrnoosh comes up with beautiful and wonderful ideas that are completely functional, but we need to balance beauty and functionality with ... chances of getting a version of the design approved ...

As we settle on park designs we need to:

1. Identify the process by which we can present a park improvement idea and hopefully get it approved. Which are the governmental agencies we will need to go to and who are the leaders we need to be talking with?
2. Start to build a coalition of community leaders and organizations which are willing to get behind an initiative. When we go to LA City leaders, we want to be able to say that our voice represents this broad coalition which consists of ...
