Presentation – Identifying potential land/parcels suitable for emergency/temporary shelter and/or permanent housing.

Traci Park, our new Council Person, and Karen Bass, our new Mayor, have shown us over the past two weeks a very aggressive, constructive, sensitive, solutions-oriented response to the homelessness issue and have expressed equal vigor in resolving housing issues. Solutions are being considered and we as a community must be substantively informed and involved or these solutions will be imposed on us. There are three phases to the dilemma we are facing, one is emergency shelters, two is intermediate/temporary housing and three is long term housing equilibrium. We are here today to review and consider sites to accommodate emergency, safe and sanitary, camping and parking sites and tiny home sites. To that end Dario Rodman-Alvarez will share with us parcel availability based on criteria stipulated by various agencies, courts, ordinances and etc.
