11. LONGTERM PLANNING TOPICS**A. PUBLIC COMMENT RE: PERMANENT AL FRESCO ORDINANCE (CPC-2022-8179-CA)**

Background: The proposed Permanent Al Fresco Ordinance aims to clarify and streamline Zoning Code regulations regarding outdoor dining on private property. In a separate but related effort, the Department of Transportation (LADOT) and the Bureau of Engineering (BOE) are preparing regulations to address outdoor dining in the public right-of-way. The Permanent Al Fresco Ordinance affecting private property includes components such as a definition of outdoor dining area, site design and operational standards, and criteria for replacing required parking spaces with outdoor dining area. As proposed, outdoor dining that complies with the applicable standards would be permitted as a by-right use in any zones where restaurants are currently permitted. However, any alcohol service in outdoor dining areas would continue to require compliance with all applicable zoning regulations, including but not limited to Conditional Use Permits or Restaurant Beverage Program Administrative Clearances.

LUPC will solicit public comment with committee discussion only (no motion or vote).

B. INTRODUCTION AND PUBLIC COMMENT RE: MTA LOT AT 100 SUNSET (CURRENT LOCATION OF BRIDGE HOUSING)

Background: On January 28, 2016, the Metro Board of Directors adopted a motion calling for a community-based process to determine a new use for Division 6 (what we know as the MTA Lot located at 100 Sunset at Main St.) through Metro's Joint Development program. Between the October 2018 and March 2019, MTA's Joint Development Department conducted outreach efforts in Venice. The outreach and development planning and design culminated in the latest draft Development Guidelines from May 2019, which summarizes outreach efforts and contains several conceptual proposals for the MTA Lot.

Separately, in November 2019, the MTA Lot was approved as a temporary Bridge Housing Site for 154 beds run by People Assisting The Homeless (PATH). (See Council File No. 18-0510 for more info.) Bridge Housing would rely on a lease to be negotiated between the City and MTA and a

corresponding three-year sublease to PATH. The project was expected to open October 2019 with the three-year term commencing upon receipt of the Certificate of Occupancy. Bridge Housing eventually received its Certificate of Occupancy and began operations in February 2020.

The joint development of the MTA Lot was an intended bookend to the temporary Bridge Housing site, providing for a permanent project on the heels of a temporary use. However, COVID-19 left many local government programs in stasis, including the MTA's Joint Development of this site. As a result, we are now at the end of what was supposed to be Bridge Housing's three-year use, but without a finalized plan for a permanent project on the MTA Lot.

This is the first of several LUPC meetings in the coming months to discuss a viable development plan for the MTA Lot. We will start with a discussion of the Development Guidelines from May 2019 and also incorporate the latest MTA Joint Development Policy (June 2021).

LUPC will solicit public comment with committee discussion only (no motion or vote).
