WHO CAN APPLY

Applications for these funds will only be accepted from Board members or Committee Chairs of the Venice Neighborhood Council.

The application requires the listing of a Project Manager. This is the Board member or Committee Chair who will be responsible for the day-to-day implementation and supervision of the project. The duties include the proper completion of all invoices and support materials and the submission of them to the Program Administrator for payment. A Board member may not submit an application for a project or serve as a Project Manager for a project if they have a potential conflict-of-interest relationship with any of the vendors.

WHAT CAN BE APPLIED FOR

Community improvement projects must provide a demonstrable benefit to the Venice community. They should build community through the implementation process and enhance the neighborhood once complete. Projects may encompass a wide range and can include, but are not limited to: The Arts, Beautification, Community Support, Public Safety, or Education. The Department Of Neighborhood -?

Empowerment (DONE) has the final discretion to determine whether or not the proposed project is clearly beneficial to the community

A project may be submitted that is part of a larger project, but if so, it must be able to be completed independently of the larger project and regardless of whether other funding needs to be secured.

All projects must conform to the funding guidelines of the Department Of Neighborhood Empowerment. When submitting an application ask yourself the following questions:

- Is this for program services (i.e. after school program, graffiti removal, etc.)?
 - If for a select group of individuals, the applicant must create a fair selection process to establish participants
 - Effort should be made to secure the best prices from competitive bids
- Is this for equipment and supplies?
 - Equipment and supplies can only be used for the benefit of the community
 - Equipment can not be turned into private property. Purchases intended for private and/or paid use are not allowed.
- Is this an event?
 - Events must be open and advertised to the public
 - There should not be an admission charge
 - Discuss appropriate liability issues

All Community Improvement Projects must be completed within one year of the VNC Board's vote to approve funding. Funding will only be valid through this date; thereafter, approval for the funding shall expire.

All projects and publicity must credit the Venice Neighborhood Council for its support.

Applications may not be simultaneously submitted if the applicant has an application pending before the Neighborhood Committee as part of its competitive selection process for Community Improvement funds.

USE OF FUNDS

Community Improvement funds can only be used to pay for materials, supplies and services directly related to the implementation of the project. All funds are payable by the Department of Neighborhood Empowerment to be billed by a vendor following the completion of a service and the submission of an invoice. Invoices must be billed to the Venice Neighborhood Council and submitted to the Program Administrator. They will be forwarded to the Treasurer of the Venice Neighborhood Council who will then review them and forward them to DONE for payment.

Services may be performed by an organization or sole proprietor provided they have a City of Los Angeles Business License (B.T.R.C.) and a Federal Taxpayer ID number. Reimbursement to third parties is prohibited; payments must be made directly to the vendor that provides the service. If required, DONE will contract directly with the service provider using a City of Los Angeles approved contract. The service provider must agree to all terms and conditions contained therein.

The funding is entirely conditioned upon compliance with DONE's Neighborhood Council Demand Warrant Guidelines and Neighborhood Improvement Project policies, procedures and limitations and DONE's subsequent approval of such funding (see DONE website -- www.lacityneighborhoods.com).

Necessary licenses, permits and/or tax identification numbers shall be presented to the Venice Neighborhood Council prior to the commencement of work.

In addition, project budgets may not: include line items for:

Work performed managing the project
Administrative salaries
An organization's operational expenses
Ongoing maintenance expenses
Purchases prior to the award notification
Any item not included on the submitted budget sheet
Transportation
Equipment that will become the property of the applicant

What are NPGs?

NPGs, or Neighborhood Purpose Grants, are a way for neighborhood councils to partner with and support non-profit organizations and public schools on projects that provide a public benefit to the community. Eligible organizations include 501(c)(3) non-profits as well as public schools. (Please note that grants cannot be issued to religious organizations or to private schools.)

These grants, which are typically between \$500 and \$5000, are awarded from the neighborhood council's yearly budget. Neighborhood councils currently receive \$32,000 each fiscal year to use for operational expenses, outreach, community improvement projects, and Neighborhood Purpose Grants. Neighborhood councils are only able to roll over up to \$10,000 from one fiscal year into the next.

A Neighborhood Purpose Grant must provide a demonstrable benefit to the community. An NPG activity should build community, enhance the neighborhood, and be open, accessible, and free to the general public. Projects may encompass a wide range and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

How to Apply

- 1. Please review the grant application package from the City Clerk's website.
- 2. Complete the application form.*
- 3. Submit your application to VNC at treasurer@venicenc.org.
- At the board meeting, plan to provide a brief presentation or explanation about your proposal.
 - Submittal timing is the same as the Community Improvement Packet timing

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a *public benefit* and purpose, *open*, *accessible*, and *free of charge* to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs (click here) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A "Project Completion Report" template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:
