21 Procedural items for New Board

Description:

Stakeholder: Ivan Spiegel **Dated:** 2023-06-15

see below

MOTION:

These are the notes and agenda items for the new Board. The current AdCom must create the July agenda with these items because the new AdCom members won't be selected until the July Board meeting. In the June AdCom agenda there should be two items under New Business: 1. Approval of June 2023 Board agenda. 2. Approval of July 2023 Board agenda.

_____ In order to provide a smooth transition, the current Administrative Committee must agendaize the first Board Meeting for the new Board with the following considerations (as mandated by the by-laws): The agenda should be as generic as possible, but must include the following items: Swearing in of new Board members Minutes Financial statements Announcements Public Comments New Business Election of 4 members of Administrative Committee Development of process for election of LUPC (review application) Development of process for election of Neighborhood Committee (review application) Assign job functions for Community Officers (each must serve on at least one Standing Committee ` and serve on and/or chair other committees). Agenda suggestions for next meeting Optional (not mandated, but necessary) Set meeting dates and times for new Board term Review Ad-hoc committees and appoint chairs (appointed by President) APPOINT PARLIAMENTARIAN; SECOND SIGNATORY; CREDIT CARD HOLDER; LANCC & WRAC REPRESENTATIVES Take applications for Rules And Elections, Education, Arts, and OFW Committee chairs (community officer nominated by Administrative Committee – approved by Board) Appoint Parliamentarian (s) The date of the meeting should be left blank so that it can be filled in following the election certification. PROCEDURAL TIMETABLE SUGGESTIONS (to be decided by new Board – not mandated) Schedule the first Board meeting to be held as soon as possible after the start of the new term. Agenda should be as stated above with as little regular business as possible. Hold an Administrative Committee meeting at least four days before the August Board meeting. Four of the items on the agenda should be the nominations of the Rules And Elections, Arts, and Ocean Front Walk committee chairs. At the August Board meeting hold the selections of LUPC and Neighborhood Committees. Confirm Rules And

Elections, Arts, and Ocean Front Walk Committee chairs. Regular business can be agendaized at this meeting. Immediately, create a flyer to inform stakeholders of the opportunities to serve on LUPC and Neighborhood (and other?) Committees. This should be generic as the NEW Board must develop the selection process and (if so desired) application forms. The procedures for this could have been codified, but was deliberately left open by the by-laws committee so that each new Board would be free to set its own selection rules. Arrange an orientation session for incoming Board members (prior to the beginning of their terms) so that they can "hit the ground running". This should include (but not be limited to) discussions of: General orientation VNC By-Laws The Brown Act Summary of existing standing rules Parliamentary procedure Available positions and appointments Business that must be accomplished in the first 30 days This session does not have to be Brown-Acted BUT must be limited to discussion of procedural issues. The public could certainly be invited. If anything other than procedural issues is discussed then the Brown Act would apply. At the first meeting of the new Board, arrange to have a swearing-in ceremony (hopefully by the CD 11 Councilperson). Immediately following, it would be nice to have a short reception and recognition for outgoing Board members (certificates?).

MOTION:

LUPC recommends approval of the project without an ADU and with the following findings: (a) that while site characteristics or existing improvements make strict adherence to the zoning regulations impractical or infeasible, the project nonetheless conforms with the intent of those regulations; (b) that in light of the project as a whole, including any mitigation measures imposed, the project's location, size, height, operations and other significant features will be compatible with and will not adversely affect or further degrade adjacent properties, the surrounding neighborhood, or the public health, welfare, and safety; and (c) that the project is in substantial conformance with the purpose, intent and provisions of the General Plan, the applicable community plan and any applicable specific plan.

32 WRAC Motion re: Community Plan update requests

Description:

Committee: Land Use & Planning Committee **On:** 2023-06-01 **Vote:**

Background Information: <https://westsidecouncils.com/wp-content/uploads/2023/03/Background-Report-CP-Updates.pdf>

MOTION:

The Venice Neighborhood Council requests, on behalf of the stakeholders it represents, that prior to the completion of Community Plan updates, the City inform communities of the methodology by which it determines the allocation of RHNA numbers and the calculations that derive density housing goals in order to meet the aims of the Housing Element. These include, for each Community Plan and Community or Neighborhood Council area:

A) Current zoning capacity (including existing density bonuses & commercial zones that allow residential uses) and reasonably expected population change.

B) The methodology which will be used to allocate RHNA growth numbers.

C) RHNA allocation of units in each community. We also urge the Planning Department to thoughtfully consider the input (submitted by previous written comment or imparted in real time) of Neighborhood and Community Councils as well as stakeholders that come together for the purpose of contributing to the Community Plan update process with informed and productive input, insight and/or suggestions. This essential input must be implemented by Planning staff, and the contributions reflected by being substantively included in the outcome/drafting of revised Community Plans. We urge that a report back mechanism be implemented by Planning staff, in order to inform communities of where and how their input has been received and incorporated into the final drafting process. We would like to understand the role of the Westside Community Plan Advisory Group (WCPAG) and be assured that the WCPAG's voice will not outweigh that of local stakeholders.

36 Resolution to Return to Weekly Street Sweeping Services Near the Boardwalk and Commercial Corridors at Venice Beach

Description:

Committee: Parking and Transportation Committee **On:** 2023-05-02 **Vote:** 5/0/0

Whereas, Venice Beach, its Boardwalk, and commercial corridors, including Rose Avenue, Abbot Kinney Boulevard, and sections of Main Street, Venice Boulevard, and Washington Boulevard, are major tourist destinations, hosting over 10 million visitors annually; and, Whereas, most of these millions of tourists park along commercial streets and in residential neighborhoods adjacent to these commercial corridors; and, Whereas, these visitors routinely deposit massive amounts of food waste, food wrappers and containers, and beverage bottles on city streets and in gutters next to where they park and along streets and gutters which are the common pathways to and from the Beach, Boardwalk, and restaurants and shops; and, Whereas, the City of Los Angeles unilaterally, without consultation with any neighborhood council, and in direct violation of the requirement contained in the Los Angeles City Charter that the city must consult with neighborhood councils in advance of significant budget decisions, reduced street sweeping in Venice from once a week to once every two weeks; and, Whereas, the city's pandemic emergency order has been officially voided and Venice can expect that warmer weather this spring and summer will bring a return of tens of thousands of visitors to our beach and community;

MOTION:

Now, Therefore Be It Resolved, that the Venice Neighborhood Council calls upon the city to return to once-a-week street sweeping within the entirety of Venice, and upon passage this Resolution a letter shall be sent to Mayor Karen Bass (Mayor.Bass@lacity.org) and Councilmember Traci Park (Councilmember.Park@lacity.org).

39 VENICE LIFEGUARD STATION HISTORIC CULTURAL MONUMENT MOTION

Description:**Committee:** Preserving Public Places **On:** 2023-05-08 **Vote:** 4/0/0

Whereas the iconic, architecturally, culturally and historically significant Venice Lifeguard Headquarters Tower located at 2300 Ocean Front Walk is a 3 story building, built in 1968, is owned by the City of Los Angeles, within Council District 11 and leased to the County of Los Angeles Department of Beaches and Harbors for use by the Los Angeles Lifeguards through a Joint Powers Agreement; Whereas the building is identified as historic by the Office of Historic Resources, Los Angeles Office of Planning with QQQ designation, indicating that comparable lifeguard sites must be identified to complete the full Historic Cultural Monument designation; Whereas, the office of District 11 of the Los Angeles City Council and the Los Angeles Department of Recreation and Parks, in agreement with the Los Angeles County Board of Supervisors, have notified the Los Angeles County Department of Beaches and Harbors that no demolition is to be conducted to any portion of the historic Lifeguard Station including its tower; Whereas, the Los Angeles Conservancy has requested that the California Coastal Commission rescind the de minimis waiver it issued to the County in July 2022, to demolish the tower, only, erroneously stating County ownership and authority to demolish; Whereas overwhelming community support, including signatures of over 1,480 neighbors and the unanimous motion of the Venice Neighborhood Council for saving and, if not needed for lifeguard services, repurposing the tower portion as a community asset. Repurposing the Lifeguard Tower as a community asset would create an exceptional cultural enrichment, environmental and educational venue for the entire community, including residents and visitors of all ages and cultural heritages. The Tower provides an outstanding, and unmatched, expansive view of Santa Monica Bay;

MOTION:

The Venice Neighborhood Council, Board of Officers requests that the City of Los Angeles designate the Venice Lifeguard Station as an Historic Cultural Monument under Section 22.171.10 of the Administrative Code. Application for nomination is being prepared to be submitted by the Venice Neighborhood Council with the Los Angeles Conservancy

43 Motion requesting City Attorney seek advisory opinion regarding conflict of interest

Description:

Stakeholder: Michael Jensen **Dated:** 2023-05-30

This item is about state regulations relating to conflict of interests of decision makers under Title 2 of the California Code of Regulations, section 18700(a) and 18700(c). DONE has ruled without explanation that NCs are subject to section 18700(a). I believe this interpretation is incorrect. More importantly, the City Attorney can simply request the FPPC issue an advisory opinion, which is what this motion requests. The following is my legal analysis of the relevant CCRs, which DONE has not yet substantively addressed since this question was posed in March 2023. The use of the "Basic Rule" with a general prohibition in 18700(a) instead of the specific rule that includes exception in 18700(c)(2)(A) is somewhat confusing and does not square with at least two rules of statutory construction: 1) the specific over the general should prevail; and 2) every word and every provision is to be given effect (i.e., no interpretation that results in surplusage). First, the prohibition to "make, participate in making, or in any way use or attempt to use the official's position to influence a governmental decision" in 18700(a) is, in its own words, the "Basic Rule." "Public official" is the term used in that section. Elsewhere, in subsection (c) specifically targeted at "conflict of interest prohibitions," the term "member" is defined with several exclusions set forth in 18700(c)(2)(A). Mysteriously, the term "member" is not used at all in 18702.2 (nor seemingly any where else, except the definition of "public official"). 18702.2 uses the entirely undefined term "official" and "government official." Based on a plain reading of the respective definitions of "member" and "public official," it would appear the former is a category of the latter. In any event, 18702.2 only creates more confusion by using "official," "government official," and "public official" throughout the lengthy rule. Second, if 18700(a) is applied so broadly, there would be no use for 18700(c)(2)(A). Indeed, what is a plausible example of someone in 18700(c)(2)(A)(iii) if not a member of an advisory NC? Section 907 of the Charter grants NCs authority to "participate" in decision-making, vis-a-vis their authority to provide recommendations to various city agencies, including City Council. This exactly what is contemplated by §18700(c)(2)(A)(iii). Following that logic, an NC is a decisionmaker only if it "makes substantive recommendations and, over an extended period of time, those recommendations have been regularly approved without significant amendment or modification by another public official or governmental agency?" In fact, quite the opposite is

true. The better example here would be a planning commission that directly advises a city council, and whose recommendations are consistently followed.

MOTION:

WHEREAS, the Venice Neighborhood Council (“VNC”) was created among 99 community and neighborhood councils, pursuant to the City of Los Angeles Charter Amendment in 1999. WHEREAS, since 1999, the VNC has made hundreds of recommendations to City Council, Department of City Planning, and Council District 11 offices (“City Agencies”). WHEREAS, City Agencies do not rely on recommendations from the VNC and have disregarded VNC recommendations or conditions entirely on major projects. Recent examples of this include: 720 Rose Ave. CPC-2018-2140-CU-DB-CDP-SPP-MEL 2467 Lincoln Blvd. CPC-2018-7344-GPAJ-VZCJ-HD-SP-SPP-CDP-MEL-SPR-PHP 2102 Pacific Ave CPC-2019-6069-CU-DB-CDP-CDO-SPP-MEL-WDI-PHP

WHEREAS, the Fair Political Practices Commission (“FPCC”) promulgates state regulations regarding conflicts of interest under Title 2 of the California Code of Regulations (“CCR”), section 18700, et seq., including local governmental decision making bodies. WHEREAS, CCR section 18700(c)(2) states: (A) A committee, board, commission, group, or other body possesses decisionmaking authority whenever: (i) It may make a final governmental decision; (ii) It may compel or prevent a governmental decision either by reason of an exclusive power to initiate the decision or by reason of a veto that may not be overridden; or (iii) It makes substantive recommendations and, over an extended period of time, those recommendations have been regularly approved without significant amendment or modification by another public official or governmental agency. (B) A committee, board, commission, group, or other body does not possess decisionmaking authority if it is formed or engaged for the sole purpose of researching a topic and preparing a report or recommendation for submission to another public official or governmental agency that has final decisionmaking authority, and does not meet any of the criteria set forth in subsection (2)(A)(i-iii).

WHEREAS, the Department of Neighborhood Empowerment (“DONE”) contends: Under the City Charter Section 907, the role of the NCs is to make recommendations to various City decision-makers including City boards, commissions, City Council committees and the City Council. This role falls within the “make, participate in making, or in any way use or attempt to use the official’s position to influence a governmental decision” provision of the Political Reform Act (2 CCR §18700(a)). Essentially, since the Neighborhood Councils have been delegated the authority to make “government decisions,” even the board members’ votes on “non-governmental” or purely advisory recommendations will be subject to the conflict-of-interest provisions. For example, a purely advisory recommendation to a City Council Committee regarding an approval or conditional use permit for a project located within the boundaries of the Neighborhood Council would require the NC board members to comply with disqualification requirements. WHEREAS, the City Attorney may request an advisory opinion from the FPCC interpreting whether neighborhood and community councils have decisionmaking authority under the CCR. NOW, THEREFORE, VNC requests that the City Attorney send a request for an advisory opinion to the Fair Political Practices Commission addressing whether neighborhood and community councils are considered to have decisionmaking authority under CCR section 18700(c).

44 Venice Preservationists Award Motion

Description:

Committee: Preserving Public Places **On:** 2023-06-20 **Vote:** 4/0/0

Several individuals have been instrumental through the years in preserving the rich cultural, historic and environmental attributes of Venice. Too often they have not been recognized for the important service they do to our community.

Recipients of the award will be selected by the Preserving Public Places Committee of the Venice Neighborhood Council. Nominations are invited from the community. The first recipients shall include: Jeffrey Stanton (historian), Rimmon Fay - posthumous (environmentalist), Jim Murez (urban planner) and Sonya Reese Greenland (cultural preservationist). The Preserving Public Places Committee wishes to present Venice Preservationist Awards on Neighborhood Council social media and at community gatherings, such as: The Venice Canals 4th of July event (the date of Abbot Kinney's inauguration of Venice of America), the Abbot Kinney Festival, and/or The Venice Sign Lighting. Ceremonies may be repeated at such events in order to inform the broadest audience.

MOTION:

The Venice Neighborhood Council moves to award a Venice Preservationists Award to individuals in recognition of their outstanding efforts in the preservation of Venice's cultural, historic, environmental or other significant attributes.

45 Parking Space Replacement Policy / Department of Transportation Parking Facilities / 25 Spaces or Greater / Transfer / Housing Department / Affordable or Supportive Housing / Los Angeles Administrativ

Description:

Committee: Parking and Transportation Committee **On:** 2023-06-06 **Vote:**

This motion states that when an LADOT parking lot is used to create housing, that the new project isn't mandated to replace the parking that was taken away during the redevelopment. The motion was heard by the full Council and passed on May 23,2023. The motion was amended by Councilmember Blumenfield, who brought up parking lots in Reseda that are slated to be redeveloped into housing. The amendment states that promises were made to the community that those parking spaces be replaced. This motion is of importance to Venice because of the number of LADOT parking lots in our neighborhoods.

46 "Tow Away No Stopping Any Time" signage removal on Hurricane St, MDR

Description:

Committee: Parking and Transportation Committee **On:** 2023-06-06 **Vote:** 4/0/0

There has always been limited parking on hurricane St between Pacific Ave. and the Grand Canal due to the presence of the Venice Pumping Plant (VPP). Based upon a request made by a MDR resident who DOES NOT live on Hurricane St (and therefore is not directly impacted), the City undertook a study and made

determination to remove parking from the south side of Hurricane St between Pacific Ave and the alley east of Pacific Ave. There was no community notification or input. Further, there have not been any recent incidents that would merit this decision. Coincidentally (or not), the city has incorporated plans for a public parking lot on the 128 Hurricane St lot as part of the upcoming VAPP project ownership of which they are trying to obtain through eminent domain. There is NO community support for this parking lot. We are concerned that the removal of the street parking will further justify the existence of this parking lot. We seek the VNC's support with Traci Park and the DOT.

MOTION:

VNC send a letter to council offices, Traci Park, Jeff Khan, Shawn Silva, LADOT, and BOE, as outlined above.
