C. Motion: The VNC Board of Officers authorizes Communications Officer Nico Ruderman to receive the VNC digital election records from the Office of the City Clerk.

D. Council File 21-1469-S2 (Alternative Sidewalk Corrective Measures / Sidewalk Repairs)

Parking and Transportation (4-0-0)

The City's Sidewalk Repair Program is the primary means by which the City plans and conducts repairs to the City's sidewalk system. Over the past decade, much of the City's Sidewalk Repair Program has been dictated by the terms of the Willits Settlement which sets annual funding minimums for sidewalk repair work and by responding to resident complaints or trip-and-fall incidents.

The Los Angeles City Council has ordered a series of reports instructing bureaus and departments to report with recommendations to better implement the Willits Settlement, improve how the City prioritizes sidewalk repair projects, enhance sidewalk maintenance coordination with developers, property owners, and other public agencies, and ensure that accessibility improvements are incorporated into other City projects in the public right-of-way (C.F. 21-1469).

While the City is reviewing and updating sidewalk repair and maintenance policies, it is important that the City take action to expedite necessary repairs not imminently in the queue under the Sidewalk Repair Program. The City should deploy all available tools to improve the conditions of our sidewalks in the short- and long-term and should ensure it is making use of newer sidewalk repair methodologies which may have advantages over traditional asphalt spot repairs.

Motion: The City's sidewalks are notoriously broken, creating hazards for people in wheelchairs, on foot, and on bicycles. Despite the Willits Settlement, the City of Los Angeles is still painfully slow at repairing its sidewalks. Therefore, the Venice Neighborhood Council supports Council File 21-1469-S2 and the exploration and use of alternative sidewalk corrective measures, including diamond and precision concrete cutting, to more quickly address sidewalk repairs.
