Motorized vehicles, scooters and e-bikes on OFW and the Bike Path

Whereas this committee in the past has addressed the issue of electric bicycles & vehicles being co-mingled on the current bike path with no response.

Whereas the motorized vehicles (e-bikes, scooters & bikes) are still an issue on OFW and the Bike Path

Whereas these are safety issues for pedestrians; locals and tourists,

Whereas there is a high probability the users are uninsured,

Whereas the one person rider rule is not being enforced,

Whereas there is a lack of violation enforcement for those biking on the boardwalk.

Whereas there is no violations officer on OFW ever, including during the peak summer months,

Whereas enforcement would dramatically curb the situation,

Whereas the current signage is obscured and ineffective,

Whereas collaboration between vendors and law enforcement is necessary if we are to control the situation at the beach this summer;

Therefore, the VNC requests that LAPD and CD11 enforce the relevant ordinances and keep ALL MOTORIZED vehicles, including motorized scooters, Segways, and E-bikes off the Bike Path & OFW.

Please see supporting documents regarding safety and injury issues.
