

Venice Dunes Project

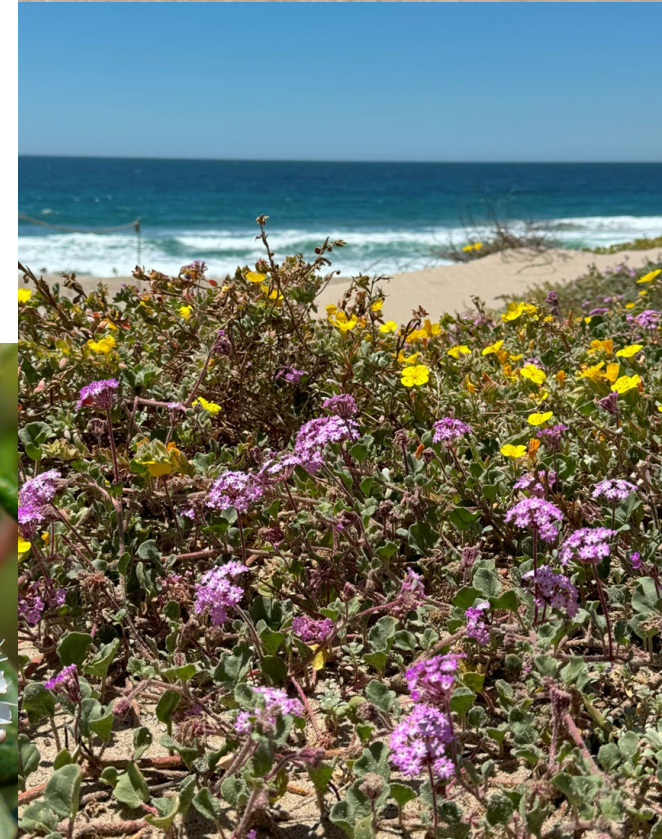

www.santamonicabay.org

IG: @thebayfoundation

Benefits of Dune Vegetation:

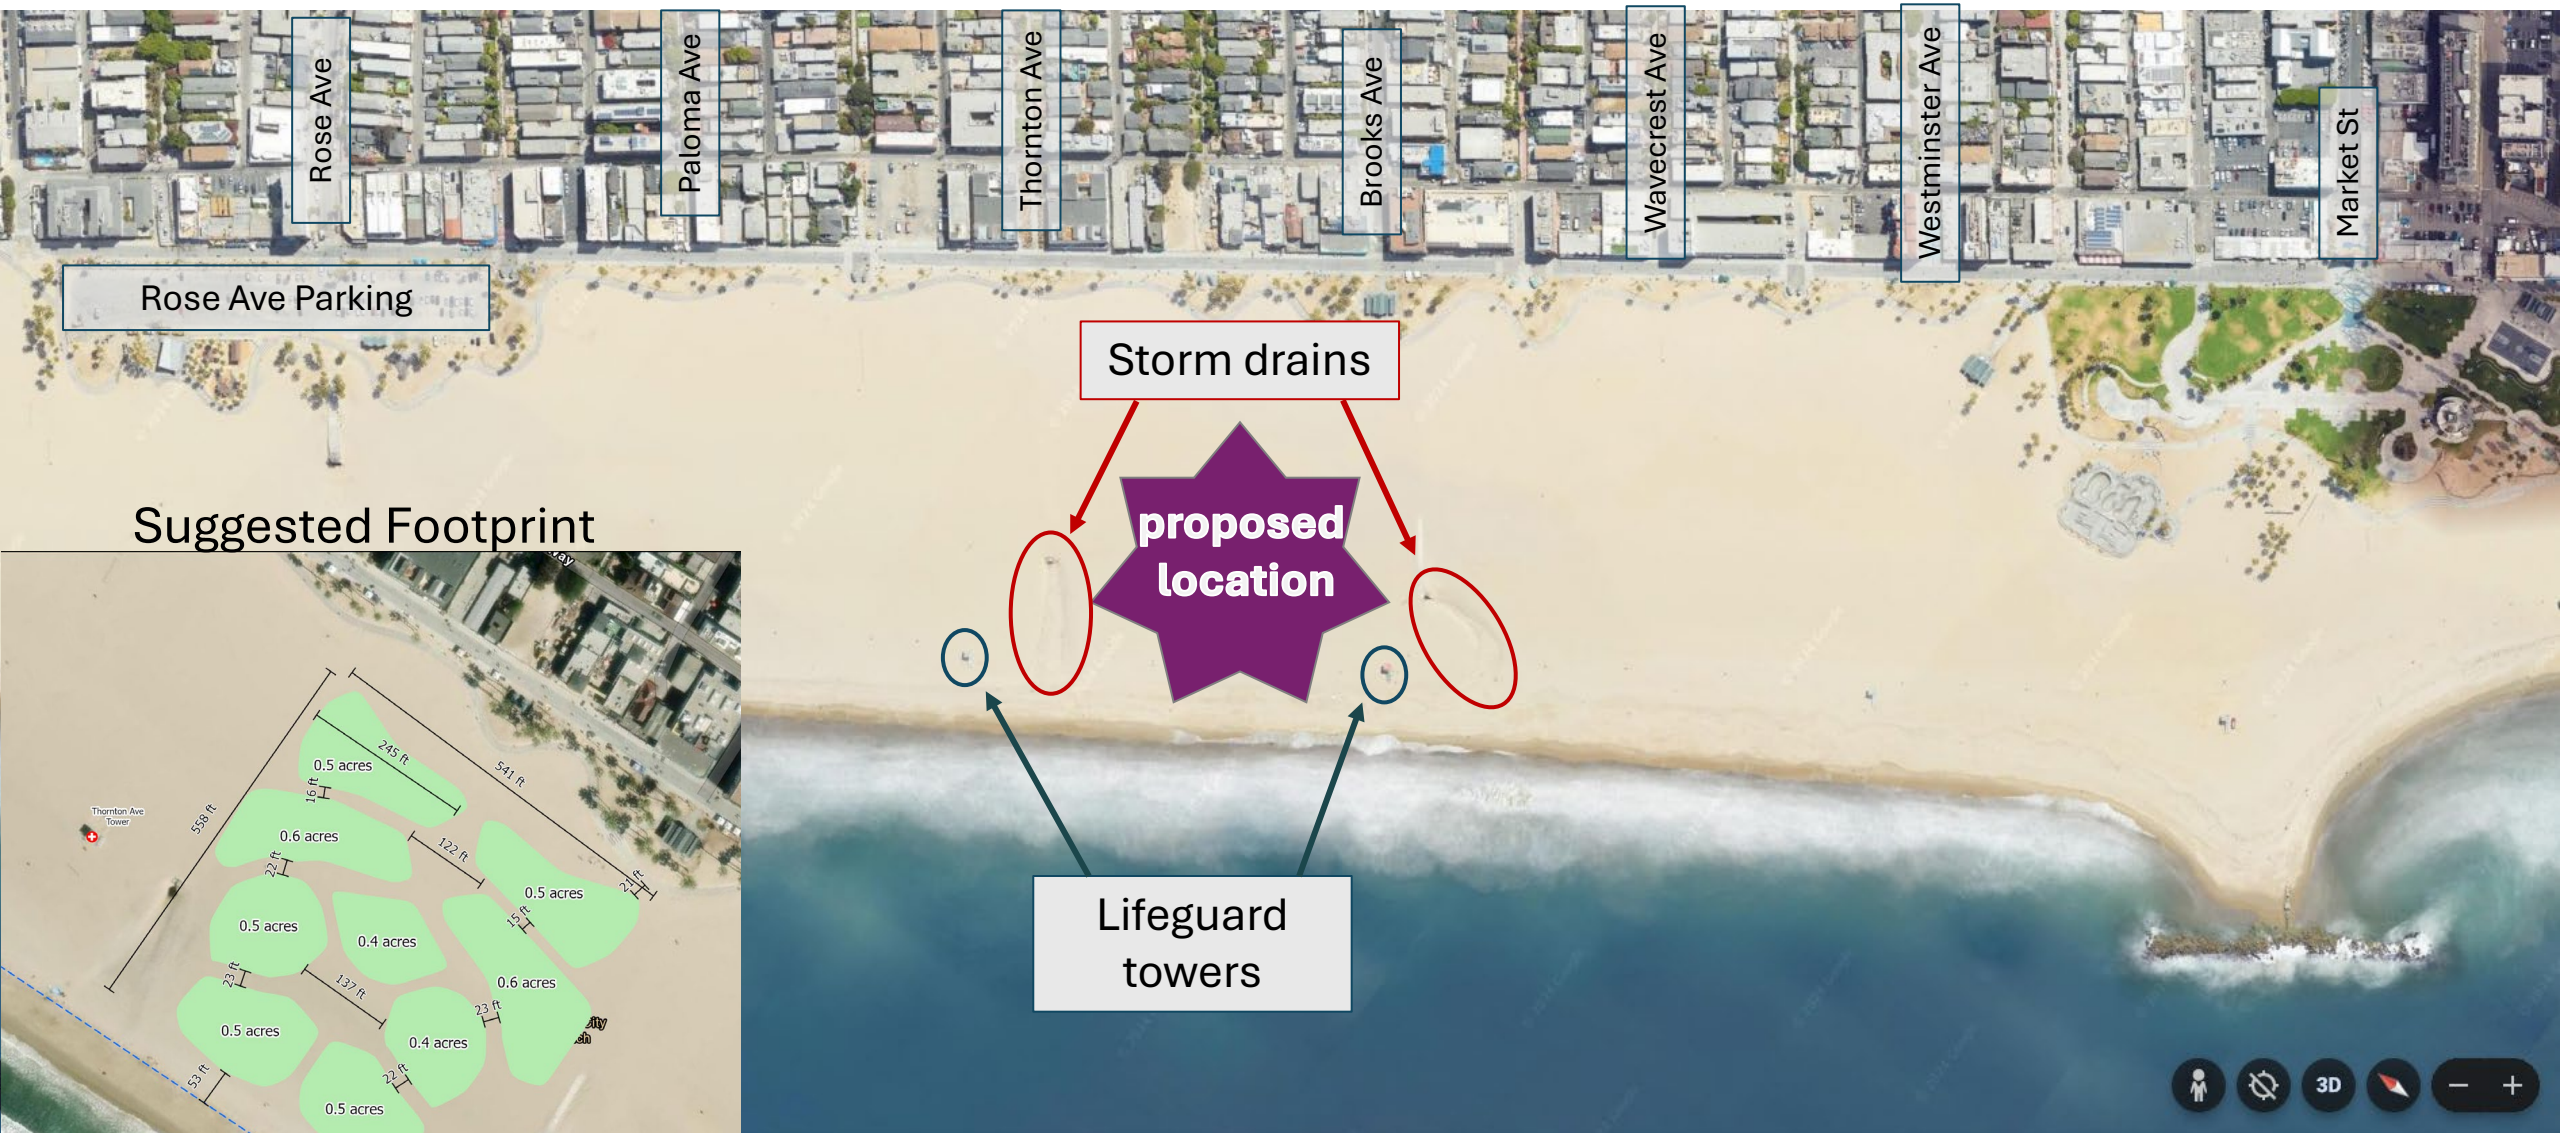

- Helps against sea level rise & coastal erosion
- Beautifies the beach
- Increases plant & animal biodiversity
- Provides habitat for threatened & endangered species
- Community connection & education

-118°50' -118°45' -118°40' -118°35' -118°30' -118°25'

Proposed Venice Dune Vegetation project
