NEW BUSINESS

A. Further discussion items and possible motion on motorized vehicles, scooters and e-bikes on OFW and the bike path

In spite of the posting of signs, the e-bikes continue to be a big issue on the boardwalk. What steps can we take to have the LAPD enforce the laws on the books and the signage? Is there another entity that can police this? Could the VNC purchase informational banners for OFW explaining the scooter/ebike laws?

B. Construction Postering on Boardwalk

Who manages this?

Can we regulate the advertising that is shown?

(Example: some ads for local business / VNC etc...)

C. What plans are in the works for the future of OFW

How do we get involved?

What special projects could we do?

(Example: "hands across the boardwalk")

D. Beautification of the Boardwalk

How do we get the businesses to clean up their storefronts?

Can we limit the number of shops that sell the same exact thing?

(Example over 15 bike shops)

E. OFW conversation with the BID and others groups

Let's invite other groups involved on OFW and have a friendly meeting and discuss the future.
