16. POST-FIRE COASTAL WATER/BEACH TESTING AND CLEANUP

Whereas the recent devastating wildfires have left the LA streets and landscape covered with a multitude of toxic chemicals, heavy metals, hazardous materials, ash and fire debris;

Whereas the EPA and FEMA, against strong public opposition, have chosen to use the beach lots along our coast to sort through the aforementioned toxic material;

Whereas the recent heavy rainstorms have washed an enormous amount of this toxic material down to our coastline;

Whereas our beaches are now covered with hazardous fire debris and black sludge;

Whereas no significant water/beach testing information has been released to the public;

The Venice Neighborhood Council strongly urges that this environmental catastrophe be taken seriously, with an immediate plan to fund, test, share information, and protect our coastal environment and the millions of people who enjoy it.

Letters will be sent to all LA City Councilmembers and Mayor Bass.

20. STANDING RULE ON VNC CIS PROCEDURE

The VNC Board adopts the following standing rules regarding Community Impact Statements:

1. At the start of a new Board term, the Board will appoint the President and Secretary and up to three additional Board Members who are authorized to submit Community Impact Statements (CIS) by providing the official authorization form to Department of Neighborhood Empowerment (DONE).
2. Any advisory opinion, guidance, or recommendation adopted currently or previously by a majority vote of the Venice Neighborhood Council Board shall be considered an "Official Position" of the Council and may be submitted as a Community Impact Statement (CIS) to the City Council or the City's Commissions, Boards and Departments.
3. A current CIS must be filed within 10 business days of the Board meeting at which it was passed. In the absence of a designated filer for the CIS the VNC Secretary is responsible for filing the CIS.

DESCRIPTION: The City Clerk accepts statements from Neighborhood Councils that have governing boards in place and have voted in a public meeting in accord with the Brown Act to a) approve a particular CIS, or b) authorize the President or other board members to write and submit CISs expressing the board's previously voted upon positions. Filing a CIS gives the NC a unique opportunity to give input to the City. This standing rule ensures that 1) incoming Boards are aware of the process and procedure; 2) eliminates confusion that previous positions and current actions taken cannot be submitted as a CIS unless the Board includes this in the motion at the time it motion was approved is resolved; 3) ensures the Board can inform the City, without having to revisit a position if no Council File was available or was not known to the Board when a motion was passed; 4) also clarifies that a CIS can not only be sent to the City Council and its committees but can be sent to City Commissions City Boards and Departments.
