Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to one (1) minute per speaker, unless adjusted by the presiding officer of the Board.

SB 411 Updates:

If a Neighborhood Council has a quorum of board members in a physical location, board members who wish to join the meeting via teleconferencing must adhere to AB 2449 rules and regulations. If a Neighborhood Council does not have a quorum of board members in a physical location, they must adhere to SB 411 rules and regulations. In the event of a disruption that prevents the eligible legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the eligible legislative body's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the eligible legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the eligible legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

The eligible legislative body shall not require public comments to be submitted in advance of the meeting and shall provide an opportunity for the public to address the legislative body and offer comments in real time. Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the eligible legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(i) An eligible legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph , to provide public comment until that timed public comment period has elapsed.

(ii) An eligible legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (D), or otherwise be recognized for the purpose of providing public comment.

(iii) An eligible legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (D), until the timed general public comment period has elapsed.

1. Bus Lane Violation Enforcement Pilot Program: CIS to Council Files: 24-1151 and 21-122

- a. **Item description:**

Committee discussion:
- c. Motion:

The Venice Neighborhood Council, a member of the Westside Regional Alliance of Councils (WRAC), opposes the allocation of revenues from the Bus Lane Violation Enforcement Pilot Program to items that are not specifically related to public transit. We therefore oppose using these funds for “Transportation improvements and temporary staffing related to the 2028 Olympic and Paralympic games.” A \$200 million federal grant is already in the works to help with the proposed use of public buses at the 2028 Games.

Committee discussion:
- c. Motion: EC / RT

The VNC supports the creation of protected bike lanes along Washington Blvd, west of Oxford to Dell Ave as proposed by the surrounding neighbors to increase bicycle safety, reducing illegal RV parking and vehicular speeding. This proposal would include no tradeoffs in parking and travel lanes by swapping the
