3.) VNC election recommendations to the City Clerk

a.) **Item introduction/description:** In an effort to improve future NC election cycles, the VNC has collected input from stakeholders and made the following determinations:

- A visual example ballot MUST be provided to the VNC prior to the City Clerk mailing ballots to stakeholders to allow for correction of errors or addition of clarifying information
- Inclusion of a visual geographic map on the ballot will better inform stakeholders if they are in the NC area
- A single election date for ALL NC elections may assist both the City and NCs in driving interest and engagement by creating an opportunity for consolidated, coordinated information campaigns City-wide
- IF an election must be VBM only, a clear public statement is requested from the City stating their exact reasoning for the choice, along with contact information for stakeholders who have questions or concerns about the VBM process
