The VNC supports the creation of protected bike lanes along Washington Blvd, west of Oxford to Dell Ave as proposed by the surrounding neighbors to increase bicycle safety, reducing illegal RV parking and vehicular speeding. 4. Oppose RFP for IKE Sidewalk Kiosk Program

a. Item description:

Refers to City Council file 22-1154-S1

The Venice Neighborhood Council, a member of the Westside Regional Alliance of Councils (WRAC), opposes Council File 22-1154-S1 and the issuance of a Request for Proposals (RFP) for the interactive digital kiosk program, because it would:

- 1) allow installation of hundreds of 8 to 9 foot tall two-sided digital advertising kiosks on sidewalks through the City, which WRAC previously opposed in January 2023 (<https://westsidecouncils.com/wp-content/uploads/2022/11/WRAC-Letter-re-IKE-program.pdf>), and
- 2) directly compete with, and undermine, the success of the City's Sidewalk and Transit Amenities Program (STAP) and other community benefit programs that the City and its transit riders rely upon to provide much-needed shade, shelter, transit information and public service announcements.

Committee discussion:

c. Motion:

The Venice Neighborhood Council, a member of the Westside Regional Alliance of Councils (WRAC), urgently requests that Caltrans delay the I-405 Pavement Rehabilitation Project (<https://dot.ca.gov/caltrans-near-me/district-7/district-7-news/d7-caltrans-to-host-meeting-for-the-interstate-405-sepulveda-pass-pavementrehabilitation-project>) until after:

- 2) All Palisades fire debris removal is complete.

The VNC believes that this delay is reasonable given that the I-405 Pavement Rehabilitation project is scheduled to take four years, and we ask that Caltrans accommodate this important request.

The VNC further requests that Councilmembers representing WRAC member councils (Park, Yaroslavsky, Hutt and/or Raman) bring a resolution in Council to effectuate this request on behalf of the City.

No person shall ride, operate or use a bicycle, unicycle, skateboard, cart, wagon, wheelchair, roller skates, or any other device moved exclusively by human power, on a sidewalk, bikeway or boardwalk in a willful or wanton disregard for the safety of persons or property.
