- a. Motion Right-of-Way PROTECTION OF THE TREES on Venice Blvd – Steps taken about tree removals. Past removal preceded the R-permit, so illegally removed, according to Jim Murez. All trees are in the public right-of-way. We would like to see them save trees and keep fence at 42 inches, as per the R-permit. Sean Silva, of CD11, advised lodging a complaint via 311 and send the reports to him. Revocable permits do not allow for tree removal. Conclude not to lodge 311 complaints until we talk to the owners, see if we can work together. Drafted motion not considered.

5. NEW BUSINESS

- a. Zone Zero rules for SM Mountains - Zone 0 rules for Santa Monica mountains. State board of Forestry with Newsom. Zone 0 says no vegetation within 5 feet of home, new map comes down to Chinatown. Likely an insurance lobby issue. Vegetation removal around homes, controversy about this Joanne D'Antonio has been doing a bit of work. Barry suggests asking what science decisions are being made on? Diane and Nicole think they won't change anything. Isabelle asks how we engage. Sarah suggests that we get approval of Brentwood Homeowner's Association, make tweaks. Deadline is looming. Sarah will draft something, Isabelle suggests we adopt another letter so we don't present as the experts.

6. OLD BUSINESS

- a. Great Park Coalition - Andreas reports on convoluted survey with 3 scenarios. Deadline for submission is Sunday.
- b. Dell Project on LADOT Parking Lot 701 - using Farmer's Market lot. Pulled item before last meeting. Clark Brown wants to talk to Sarah. Isabelle suggests asking Sean about how best to proceed. A lot of collective tree growth there.
- c. MTA Project – nothing to report. Isabelle spoke with developer.
- d. East Venice Desert Willows - East Venice Eucalyptus Torcata or Torwood suggested, Muffley gave thumbs down on Torwood and Barry had bad luck with Torcata.
- e. Livable Communities Initiative – wont happen until August meeting.
- f. Shell Circle Project - Isabelle sent Theodore Payne native plant list to alert the neighbors as to the best plants to choose for the project. Milwood and Oakwood Beautification – Isabelle and Janin will work on drawing and application for permit.
