### OLD BUSINESS:

### Review of Past VNC Actions Supporting Committee Recommendations

In 2024, after months of community meetings, the Committee send three motions to the VNC. All three were approved. The VNC’s actions are listed below. The relevant documents can be found as Supporting Documents. The first VNC action supported the detailed Committee recommendations on City Planning’s proposed revised Venice land use plans. City Planning has still not responded to the VNC’s recommendations. Last fall City Planning informed the Committee that it had decided to take a new approach within the Venice Coastal Zone: preparing an updated Venice Land Use Plan first.

In January 21, 2025, the VNC approved the Committee’s recommendations on several important “hold-over” items. (The VNC also approved the Committee’s recommendations on the *Venice Mobility Study* of 2021 by Fehr’s and Peers, not directly related to land use.) Both VNC actions were sent to City Planning.
