- d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.
- e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board Member or return the matter to the Neighborhood Council for further consideration.
- f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board Member will be considered reinstated.
