8. VNC Town Hall on RVs in Venice.

This educational forum brings together community stakeholders, city representatives, subject matter experts, and Neighborhood Council committees to examine the impacts of RV living on all parties involved, including housed residents, RV residents, local businesses, public health, and neighborhood safety. The purpose of the Town Hall is to provide clear, factual information about what actions can and cannot legally be taken, how enforcement and services function in practice, and where legal and operational constraints exist. The discussion will also acknowledge lessons learned from pilot programs used in other communities, with the goal of supporting informed dialogue, setting realistic expectations, and creating a shared understanding grounded in law, lived realities, and compassion.

In-person town Halls have costs incurred based on location used, possible equipment rentals, location staff overtime fees if the event occurs outside of normal staffing hours, security support depending on actual availability of Pacific Division Police in attendance, Posterboard on Easel with Rules of Decorum to set a friendly tone as guests arrive and very simple refreshments: Alkaline Water with Cups/Ice and Protein Bar Selection.

6b. Public Comment:

- **Lots clarifying that there will be live questions from Stakeholders**
- **Concern the motion description is misleading that it is more about homelessness**

6c. Committee Discussion/Vote:

- **Collaboration with local businesses**
- **Adopt a park initiative**
 - **Erica is speaking with Dylan to explore collaboration with the park**
 - **Dylan creating info packet - Erica to bring to our next meeting**

Motion:

The VNC Board approves a budget not to exceed \$1,000 for the In Person “RVs in Venice Town Hall,” previously approved as a Zoom event. Funds may be used for reasonable and necessary event related expenses, including location or room costs, equipment rentals such as tables and chairs, security support, decorum signage, location staffing, and very light refreshments such as water and protein bars. VNC approves necessary budget adjustment if needed.
