A. Venice Bikeway Network Project – Survey Results, Changes Proposed, and Motion to Approve

The survey was available six weeks and 749 responses were submitted. These have been analyzed and the results will be presented. Recommended changes to the proposed Venice Bikeway Network will also be reviewed. This culminates the first phase of a multi-phase effort to, over time, lead to a more complete and safer bikeway network within Venice. The next phase will be to initiate work with CD 11 and City agencies, especially on the most important segments of the network.

Motion: The Parking, Transportation, and Infrastructure Committee asks the Venice Neighborhood Council to adopt the proposed Venice Bikeway Network, dated April 2026, as the working bikeway network it requests City agencies to develop over time. The network must be developed in such a way to make bicycle safety and bikeway
