LUPC MEETING

9/3/2026 @ the Library

Special Presentations

Grand Venice Visions

Plazas Streets Alleys

Trees People Bikes Cars

As our urban environment adjusts to new State legislation and city planning codes to provide more urban density there are new opportunities to reorganize urban public space.

This LUPC Venice meeting features special presentations that offer to reuse and readjust open and public spaces towards a healthier environment with more social equality.

*We will look at presentations by various committees and stakeholders to gain neighborhood impact and local suggestions to improve the proposals.
We will present current proposals as they are proposed.*

5:30 - 8:00pm

Abbot Kinney Memorial Library

501 S Venice Blvd, Venice CA 90291
