6. OLD BUSINESS:

A. Request to Support Nuisance-Related Ticketing of RVs and OV's Throughout Venice **ITEM MAY BE PULLED**

Richard Stanger

Background: This item started out in July as a motion to increase nuisance-related ticketing of specific RVs/OVs in front of the Kinney Hotel on Washington Boulevard. The motion was deemed to be too targeting, so it was returned to the Committee. The Committee's August agenda subsequently showed a revised motion for nuisance-related ticketing of any RVs/OVs on the 700 block of Washington Boulevard. However, at that meeting Selena Inouye noted that the agenda's motion was too similar to the VNC's June 2025 motion. An amended motion was introduced, discussed, adopted by the Committee, and sent to the Administrative Committee for inclusion on the September VNC agenda. AdCom voted again to return the item to the Committee with no instructions or clear justification, even though both were specifically requested.

In its discussion AdCom did question whether the VNC should consider this motion before the Town Hall on RV issues. I was not able to respond nor note that the amended motion was made by one of the organizers of the Town Hall. There was also some concern that the motion was too much like other similar motions. Both Clark Brown and Richard Stanger said that the motion was substantially different from any prior VNC motion because it focused on nuisance-related provision of the law, not parking-related provisions.

After the Committee's August 26th meeting Clark Brown emailed Richard Stanger that he would try to have the VNC amend the Committee's motion to add further enforcement language and requested that his amended language be part of the Supporting Documents going to the VNC. Mr. Clark's revised language is as follows:

*Proposed Amended Motion: The Parking, Transportation, and Infrastructure Committee requests that the VNC supports efforts by businesses and others to enforce ticketing of Oversized Vehicles throughout Venice by: 1. Urging the LADOT and the LAPD to ticket the OV's for violating **the anti-nuisance provisions of law set forth in Cal. Civil Code sec. 3479 and LAMC secs. 91.9002 and 11(I)**, and 2. Urging the LADOT and the LAPD to take such other steps as necessary to abate the nuisances the OV's inflict on businesses and residences **as Los Angeles Charter sec. 570 and City Charter Sec. 22.841 require them to do.** [bold type indicate basic proposed changes.]*

Civ. C. sec. 3479 above states: "Anything which is injurious to health,...offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property, or unlawfully obstructs the free passage or use, in the customary manner, of any..., street, or highway, is a nuisance."

The Committee has at least two basic options: A. Consider adding the proposed language above to its August motion, or B. Send the motion it adopted in August back to AdCom for either its reconsideration or specific instructions clarifying what specific problem AdCom has with the motion and how the Committee might correct it.

Committee Adopted Motion: The Parking, Transportation, and Infrastructure Committee requests that the VNC supports efforts by businesses and others to enforce ticketing of Oversized Vehicles throughout Venice: 1. urging the LADOT and the LAPD to ticket the OV's for violating LAMC secs. 91.9002 and 11(I), and 2. urging the LADOT and the LAPD to take such other steps as necessary to abate the nuisances the OV's inflict on businesses and residences.

Discussion and possible action.

B. Update on the Town Hall Concerning RVs Parked on the Streets of Venice

Selena Inouye

C. Update on Windward Avenue Pedestrianization Town Hall

Richard Stanger

D. Update on Bikeway Network

Colin Warn, Richard Stanger, Andreas Kemkes

The team did an analysis of the Bikeway options on Washington Boulevard between Pacific Avenue and Oxford Avenue. The analysis has been provided to CD 11 and LADOT for their input. See Supporting Documents.

The team is also discussing how to go about initiating bicycle safety enhancements on the Minor Bike Routes in the Network, those routes colored yellow on the map. See Support Documents. Palms Boulevard between Abbott Kinney Boulevard and Lincoln Boulevard has been selected as a test case. A survey of homeowners along the street is being considered.

Discussion and possible action

7. NEW BUSINESS:

A. Presentation on E-Bikes

Andreas Kemkes

The presentation describes the three classifications of e-bikes and what legislation exists and is pending to control their use. See supporting documents.
