TITLE: Nuisance-Related Ticketing of RVs and OVs Throughout Venice

PURPOSE:

The purpose of this motion is to ask LADOT and LAPD to enforce the ticketing of oversized vehicles using the City's nuisance-related enforcement provisions

BACKGROUND:

The VNC's prior requests to enforce the parking of oversized vehicles on Washington Boulevard (June 2025) were based on parking-related enforcement provisions of the municipal code. No successful action has taken place by the City since and conditions remain the same. This summer, the PTIC passed a motion to request that the City use nuisance-based enforcement provisions along a segment of Washington Boulevard in front of the Kinney Hotel. This motion was deemed too targeting by the attorneys. In Augst, the PTIC therefore amended the initial motion to include all of Venice. In September Acom returned this motion to the PTIC with no reason or instruction.

The PTIC, at the request of the stakeholders involved, has amended its August motion to supplement the list of nuisance-based enforcement provisions noted in the motion. It is asking the VNC to adopt the motion.

THE MOTION:

The Parking, Transportation, and Infrastructure Committee requests that the Venice Neighborhood Council supports efforts by businesses and others to enforce ticketing of Oversized Vehicles (OVs) throughout Venice by:

1. urging the LADOT and the LAPD to ticket the OVs for violating the anti-nuisance provisions of law set forth in Cal. Civil Code sec.3479 and LAMC secs. 91.9002 and 11(l), and
2. urging the LADOT and the LAPD to take such other steps as necessary to abate the nuisances the OVs inflict on businesses and residences as required by City Charter sec. 570 and LAAC sec. 22.480 et seq.
